## Capital Improvement Program

FY 2022-2028

September 15, 2021

## **Acknowledgements**

We are very grateful to all who participated in the preparation of this year's CIP document. In particular, we would like to especially thank the Capital Improvement Program (CIP) Committee who worked together collaboratively, discussing the issues and prioritizing projects and making their recommendations in order to advance this year's CIP program.

### **Capital Improvement Program (CIP) Committee**

Russell Simon, Chairman  
Member at Large

Eric Botterman  
Planning Board Representative

Katanna Conley  
Town Council Representative

Roger Cady  
Budget Committee Representative

Gary Swanson  
School Board Representative

Jane Ford, Alternate  
Planning Board Representative

Jonathan Kiper, Alternate  
Town Council Representative

Michael LaBranche  
Budget Committee Alternate

Vacant  
School Board Alternate

Technical Support provided by Diane Hardy, Town Planner, Susan Frick, Recording Secretary, Susan Jordan, Administrative Assistant and the staff of Channel 13. A special thank you to the Town Department Heads and School Administration for their well-researched and professional presentations to the CIP Committee. Kudos to all!

# FACILITIES

## Newmarket Capital Improvement Program (CIP) Project Request Form

Project Title:	Beech Street Center - New Wellness Center				Department:	Recreation	
Submitted By:	Aimee Gigandet	Date:	8/31/2021	Priority:	D/N	Project Cost:	\$ 103,181
1. General Project Description?							
Facility upgrades covering life and safety improvements, structure repairs fire door installation, HVAC upgrades, new floor, outdoor decking, and miscellaneous facility cosmetic improvements.							
2. How will this expenditure improve service, productivity or lower operating costs to the Town of Newmarket?							
Installation of a fire detection system, ADA improvements, replace flooring, ductless split A/C, furnace, and other cosmetic improvements. The Rec Center will provide Town with a revenue generating Wellness Center.							
3. Is this a replacement item? If NOT, how was the need previously met?							
Replacement and overall facility upgrading. Current service is not being met and has limitations due to the newness of wellness programs.							
4. List name of firm and price of quotes received.							
The 2019 in-house design estimate was \$79,370, now adding a 30% cost increase due to inflated construction costs and new flooring.							
Project Funds:		FY 22/23	FY 23/24	FY 24/25	FY 25/26	FY 26/27	FY 27/28
General Fund

# Newmarket Capital Improvement Program (CIP) Project Request Form

Project Title:	Community Center Athletic Field Improvements				Department:	Facilities		
Submitted By:	Steve Fournier	Date:	8/31/2020	Priority:	D	Project Cost:	\$ 71,600	
1. General Project Description?								
Improvements to area drainage for the fields, renovations to the Round House, and warning track installation.								
2. How will this expenditure improve service, productivity or lower operating costs to the Town of Newmarket?								
This will allow for expanded use of the fields by improving water disbursement. The round house roof needs replacement as well as repairs to the structure. Addition of field warning tracks, and track and field play areas.								
3. Is this a replacement item? If NOT, how was the need previously met?								
No, improvement to existing fields.								
4. List name of firm and price of quotes received.

## Newmarket Capital Improvement Program (CIP) Project Request Form

Project Title:		Skateboard Park			Department:			
Submitted By:		Aimee Gigandet		Date:	8/30/2021	Priority:	U	Project Cost: \$188,312
1. General Project Description?					 <p style="text-align: right;">3 Phase Cluster 7% discount - Sourcewell</p>			
The existing skateboard park, located behind the Community Center, was installed in 2002. It is used often by the local community.								
2. How will this expenditure improve service, productivity or lower operating costs to the Town of Newmarket?								
The skateboard park has deteriorated over the last couple of years. Replacing the park with new structures would assure the Town is adhering to the latest in safety-standards and reduce the risk of exposure and liability.								
3. Is this a replacement item? If NOT, how was the need previously met?								
This is a replacement item and upgrade to a more suitable Skate Board Park that meets the current needs. Another option is to go completely concrete with a bowl design which can cost up to 250K depending on size.								
4. List name of firm and price of quotes received.								
American Ramp Co. New Sketch and drawing from last year For a 100' X 60' area, \$175,312 - this can be done in 3 phases, 1) \$86,880. 2) \$45,569, 3) \$45,863 The parking lot will also need to be repaved an an estimated cost of \$10K.

Replacement of existing keying system to control unauthorized access. Provide for single emergency fire and police access to all spaces.								
2. How will this expenditure improve service, productivity or lower operating costs to the Town of Newmarket?								
We will be able to improve safety by controlling full access to the Town Hall. This provides quicker emergency access for responders and starts to create a town-wide keying and access system.								
3. Is this a replacement item? If NOT, how was the need previously met?								
Yes, replacement of keying, core, and manual locking systems.								
4. List name of firm and price of quotes received.								
Based on estimates from Roche Locksmiths.								
Project Funds:			FY 22/23	FY 23/24	FY 24/25	FY 25/26	FY 26/27	FY 27/28
