RE: Announcement for Letters of Interest: Appointment to the Supervisory Committee for the Independent Consultancy Newmarket Junior/Senior High School Facilities Report.

The Newmarket School Board and the Newmarket Town Council have agreed to form a supervisory committee for the study of school facilities. The committee will be comprised of two school board members, two town council members, and four community members.

The board and councilors of the committee will review all letters of interest, seeking to form a committee which fairly represents all of the community's point of view and individuals who are concerned about doing the "right thing" for the community and the children of Newmarket.

Individuals should submit a letter of interest by 12:00 noon of September 15th, 2014 by either in written form or e mail to martinm@newmarket.k12.nh.us. The letter should be one page explaining your interest in serving and contact information.

On behalf of the Newmarket School Board,

Sincerely,

Michael J. Martin, Ed. D.
Superintendent of Schools
