The Town Administrator provided the Town Council with an update on the three goals that they had set for him for the current fiscal year.

The Town Administrator reviewed the personal development that the Town Council wishes he would undertake. He presented two options for programming: attending the Disney Institute in Lake Buena Vista, Florida in April or applying for Leadership NH for the class of 18-19. The Town Council listened to both proposal and by consensus felt that the Town Administrator should attend the Disney Institute and apply for Leadership NH. The Town Administrator agreed.

Councilor Weinstein made a motion to leave non-public session at 7PM. Seconded by Councilor Kast. A roll call vote was taken and passed unanimously.

Respectfully Submitted,

Stephen R. Fournier
