Nichole volunteered to be chair, Chris as co-chair, and Laura as secretary.

We are looking for a first project. The ideas mentioned were:

1. Arch over Water St
2. Wentworth Cheswell Statue
3. Renovate Library Mural
4. Redo Library Mural
5. Sculpture Garden with spots on a map
6. Historic Sights Listing
7. Markers with Mill Scenic byway
8. Re-doing the arbor park
9. Creating a space where people can go near the park
10. Creating an old home day or other annual event
11. Create a waterfront focused event

It was mentioned by committee members that we want to work on one project at a time, that we'd like the project to be downtown, and to re-do the mural we may want permission from the original artist.

The town's 300th anniversary is in 2027 and the historic society would like to have an event.

Deborah mentioned that she may need to move out of town.

We are looking for volunteers and more ideas.

For the next meeting, choose your top three projects.
