

MARCH UPDATE

We're working on something exciting...

The Arts, Culture & Tourism Commission is infusing new life into the pocket park next door to Jonny Boston's International Restaurant. The renovations will include eight new mural panels on the back wall, a mini art gallery, a sculpture garden and additional picnic tables and seating to enjoy "Artist Among Us" featured presentations throughout the year.

We will be unveiling the new pocket park on **Friday, June 16**. In order to ready the mural wall and mini gallery for this opening date, we need artists who would be interested in having their work displayed in the park. The exhibit will change throughout the year so that we can showcase as many Newmarket artists as possible.

If you would like to have your work featured in this new pocket park, please send some pictures of your work to ATCommission@newmarketnh.org by April 7th. High-resolution digital files of artist work will be required for mural panel printing. There is no cost to the artist to participate in this public display.

The busy intersection next to the park funnels the community past this park guaranteeing lots of exposure for local artists as well as creating a family friendly space to enjoy the arts.

ARE YOU THE ARTIST AMONG US? If so, please send us some pictures of your work for immediate consideration. Artist submissions are limited to Newmarket residents only.
