CHARTERED JANUARY 1, 1991

## TOWN OF NEWMARKET, NEW HAMPSHIRE

### OFFICE *of the* TOWN MANAGER

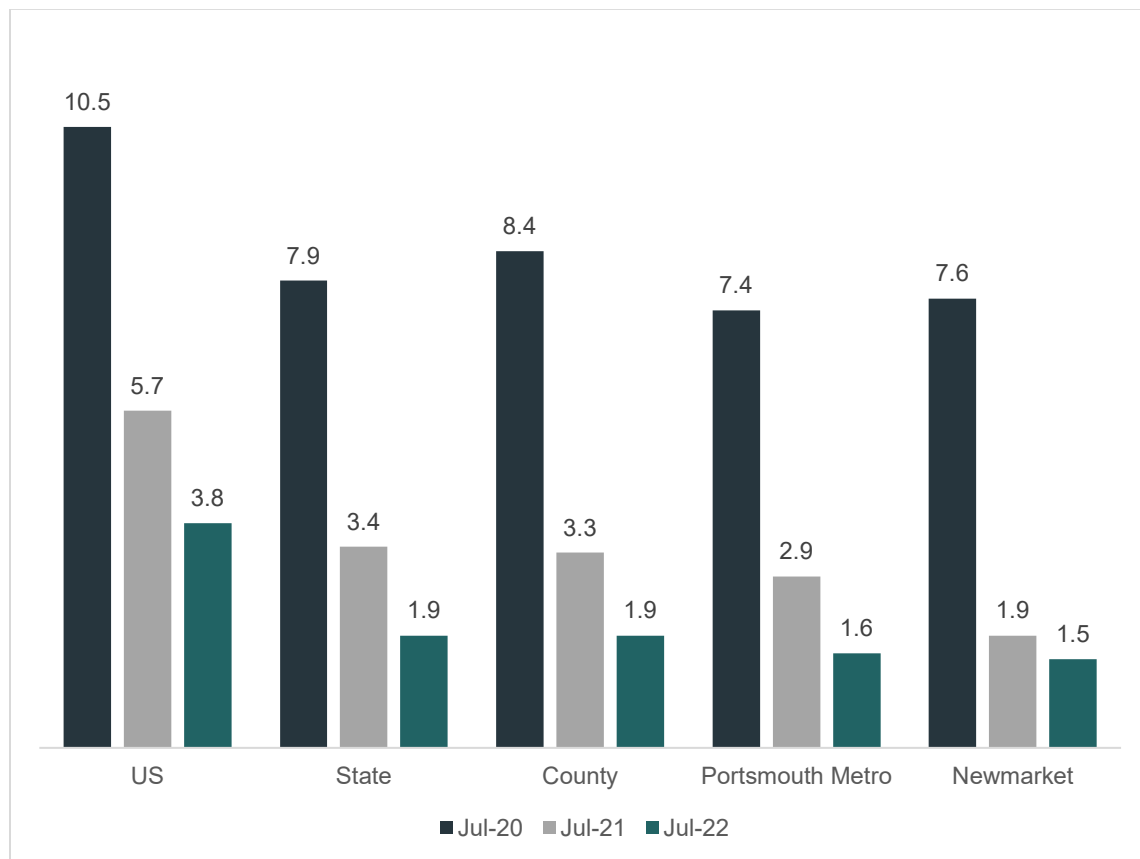

Pursuant to Section 5.2 of the Town Charter, the Town Council submits to you the approved Town of Newmarket Proposed Budget for Fiscal Year beginning July 1, 2023. The funding levels within this budget include the revenues and expenditures for all of Town functions. The budget proposal now before you prioritizes and supports the essential municipal services. It also adjusts fees and programs to accommodate the continuing federal, state and county cost downshifting.

## Budget Development

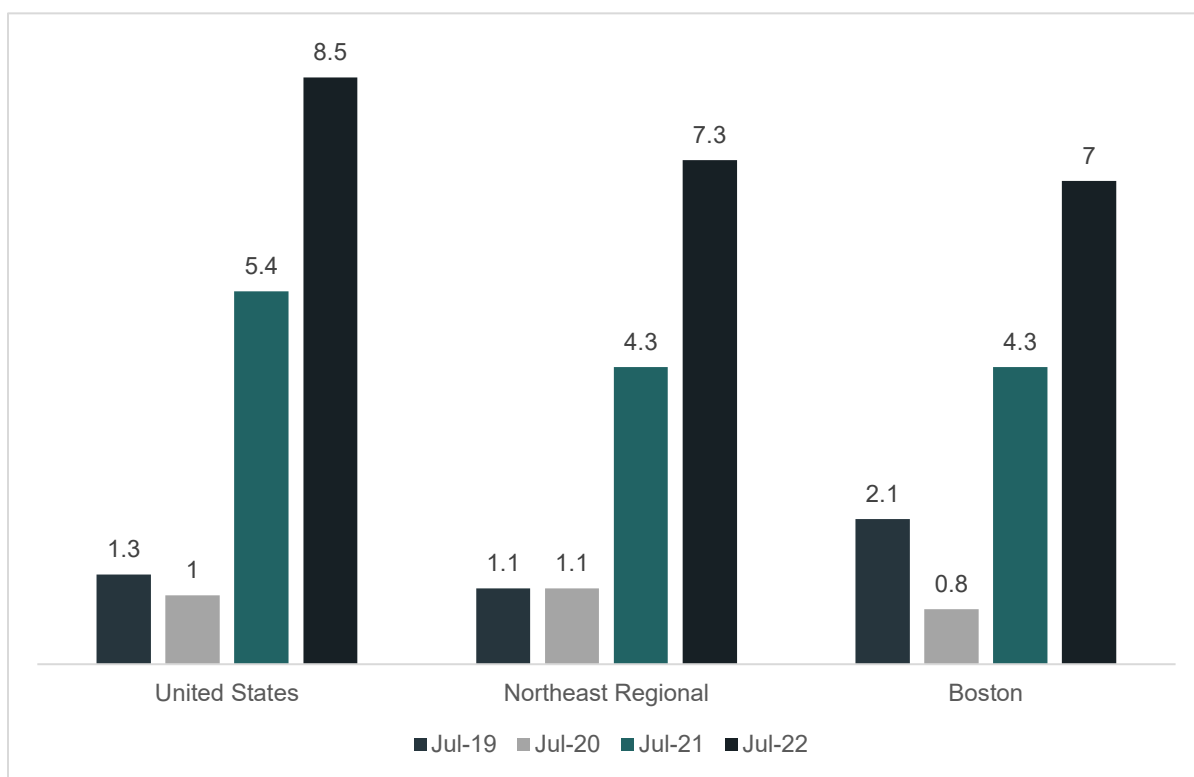

The development of this budget proposal began immediately after the implementation of the current fiscal year budget in July. In administering the current budget and anticipating the need to develop this proposed budget, there has been continuous review of program cost allocations, ongoing consideration of service priorities and numerous efforts made to benefit from operational efficiencies. Each department has developed their budget recommendations from the ground up and has undertaken a critical review of each line of the departmental budget proposals.

# State of the Newmarket Economy

The Newmarket economy is doing quite well, as are the economies of the County, State, New England, and the Country. We did not see mass unemployment that we thought we would. On the contrary, businesses are currently having a difficult time hiring individuals. At the end of June 2022 according to the US Bureau of Labor Statistics, the National Unemployment rate continued to decline. At the beginning of FY23 the rate was 3.8%, as compared to 5.7% at the end of FY22. The State of New Hampshire had a decrease with an unemployment rate of 1.9%. Rockingham County was the same with 1.9% of the population unemployed. The Greater Portsmouth Labor market, which we are a part of, experienced an unemployment rate of 1.6%. Finally, the Town itself is higher with an unemployment rate of 1.5%.

Another area to look at for indications on the state of the economy is the Consumer Price Index as determined by the Department of Labor Bureau of Statistics. In 2022, there continues to be a dramatic increase in the consumer price index. While last year, in July the CPI-Urban National saw a 5.4% increase over the previous year, in July 2022 we saw an 8.5% increase over the previous year. In July 2022, the Northeast CPI-Urban average saw an increase of 7.3%. For the Boston area, in July 2021 there was a 4.3% increase in the CPI over the previous year. This year, Boston area saw an increase of 7% over 2021. We are seeing significant increases due to inflation after the pandemic and world events. This is actually normal after such an event (much like it was in 1917.)

The Social Security Administration has not yet stated the increase in the cost-of-living adjustment yet. The annual Social Security COLA is based on the Consumer Price Index for Urban Wage Earners and Clerical Works (CPI-W) from the prior year's third quarter.

The 2023 COLA is based on the CPI-W from the third quarter of 2022. Looking back, the CPI for August was 8.3%, while the CPI for July was 9.1%.

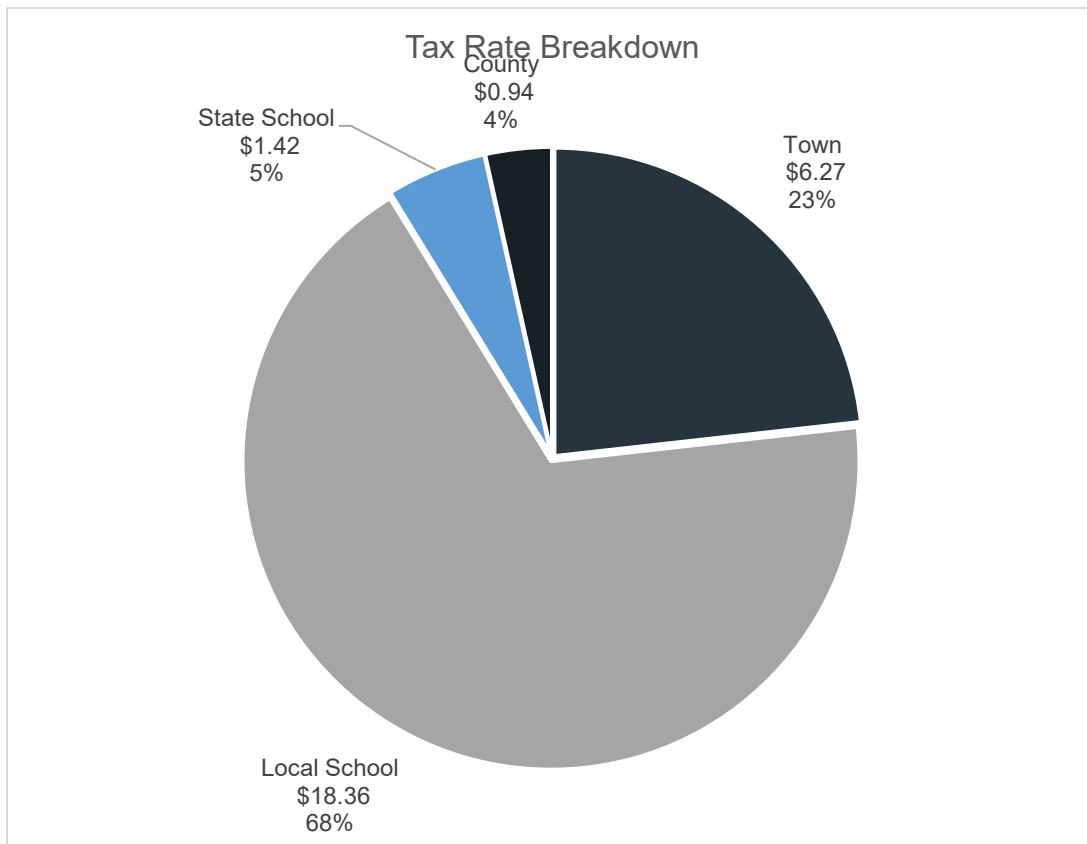

There is a variety of estimates floating around. Some experts say the 2023 Social Security COLA could be as high as 10%. Something more around 9% is probably more likely. Either way, this could be the largest Social Security COLA since 1981.

From review of these figures the economy is still in flux. We are seeing inflation because of large increases in the cost of food, shelter, and gasoline. These items are key to the basic financial life of normal Americans, thereby stretching their bottom line even thinner. Also, these increases impact the town budget as it relates to fuel, vehicles, and other goods.

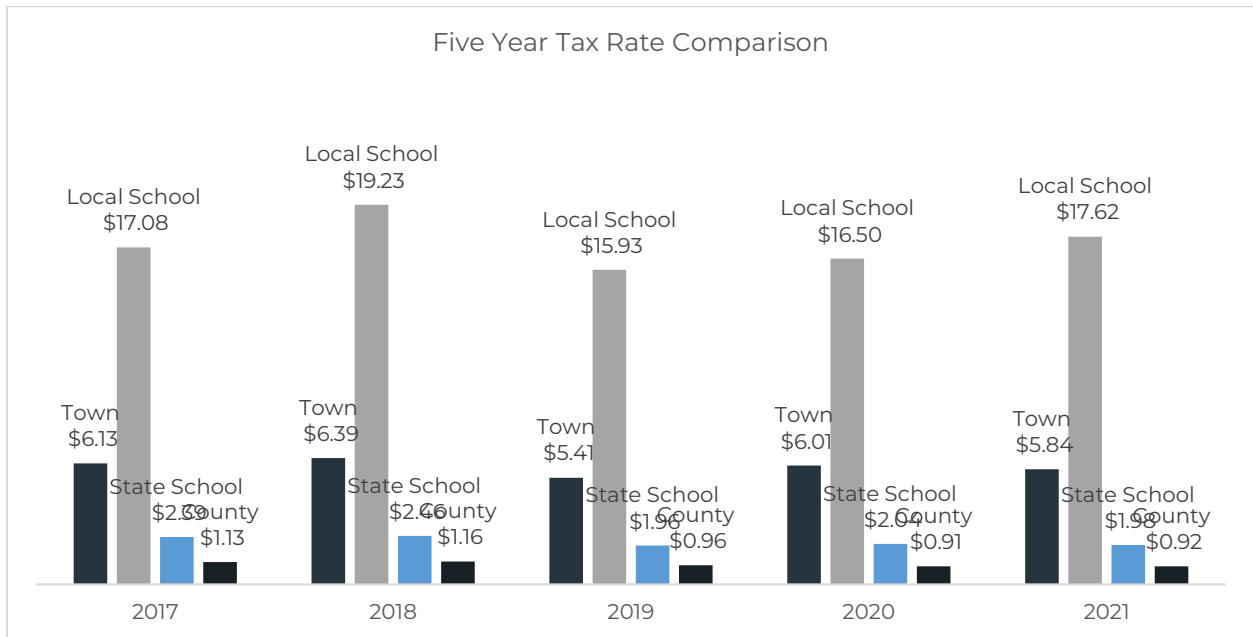

## Tax Rate

The Town tax rate applies to each \$1,000 of assessed value in the Town. The rate is arrived by dividing the net appropriations (appropriations less net revenue) by the net assessed value (total value less exemptions.) The total current tax rate estimate is \$26.99.

For FY2023, the Town portion of the tax rate is \$6.27 or 23% of the total rate. Education is 73% of the tax rate (69% Local School and 4% State School.) The remaining 3% are monies that the Town collects for the County.

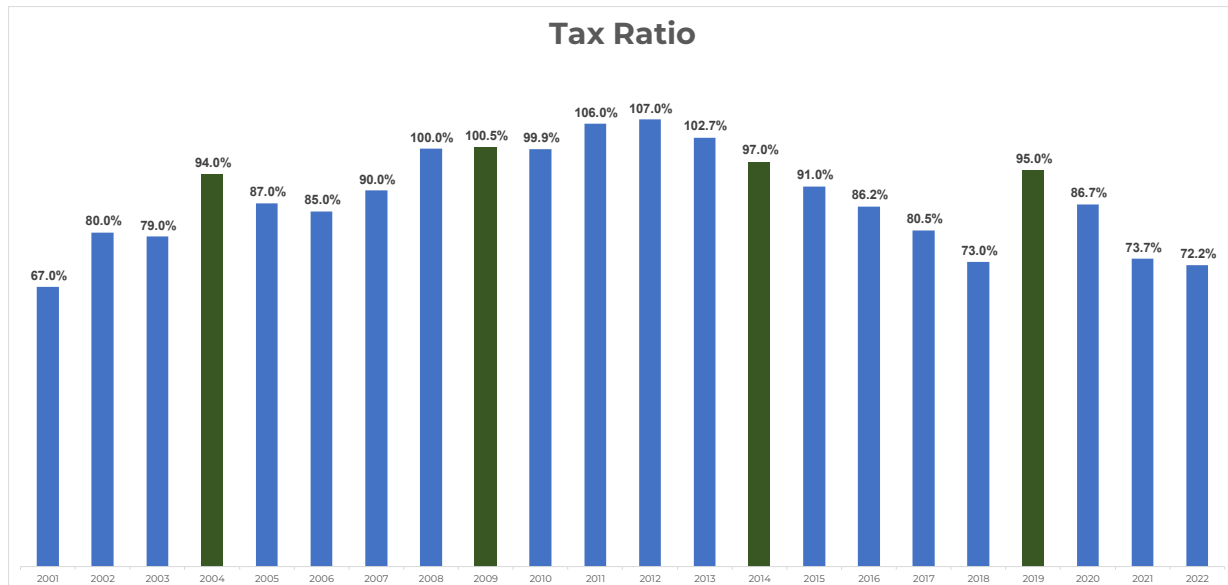

The following is a five-year comparison in the tax rate.

When we are reviewing the tax rate, we must look at the Town's net valuation. The valuation of the Town is the total value of the buildings and land in the community. Since most of our revenues are generated through property taxes, this number is used to determine the rate. In 2020, the valuation of the Town is estimated at \$981,517,373. What this means is that using the 2020 valuation, for every dollar of the tax rate raised; we would raise \$981,517 for our expenses. However, since the value of the town increased, for every dollar of the tax rate raised we now raise \$987,870. The following chart shows a five-year history of the value of the Town.

In June, we received a community action report from the NH Department of Revenue checking our cyclical inspections of property values in the community. At that time, they found that our weighted average sales ratio is 72.2%. What this means in simple terms is that our assessed values are about 28.8% below market value. DRA suggests that we have our equalized ratio between 80-110% in a revaluation year. The following chart is a comparison of our ratios over the past 20 years.

The green columns are years that we finalized our five year mandatory revaluation. As you can see, our last revaluation was in 2019, when our property values reached 95%. During the pandemic, we saw a large increase in the price of home sales and as such, our ratio dropped to 73.7%. It fell again in 2022.

As I have previously stated, I have concerns over the current state of our economy and the potential impact it may have on our budgets in the coming year. If we continue to see interest rates and other inflationary rates increase, we will most likely see a decrease in home values. As of right now, we are scheduled to compile a complete statistical update next year. If we are bringing values up to market rate, and then the market crashes, we will see many people paying taxes on property values much higher than their homes are worth.

If you want to see the impact it may have, we just need to look back at the great recession of the late 2000s and early 2010s. As you can see by the chart, we had values at 100% in 2009. Shortly after, the housing market slowed and home values were less than what they were assessed at. Many people found themselves “underwater” with loans on homes that were not worth what they borrowed. Our total valuation went as high as 107%. In 2014, when we had the next cyclical update, we reduced the overall town value down to 97%. We saw another large difference in the assessed value between 2014 and 2019 when the housing market boomed in the region.

What does this mean for our budgets? In the simplest of terms, we determine how much money we can raise by our assessed valuation. Our current town valuation is \$987,870,471. Currently for every \$1 we have on the tax rate, we can raise \$987,870. In 2014, when we last had to correct

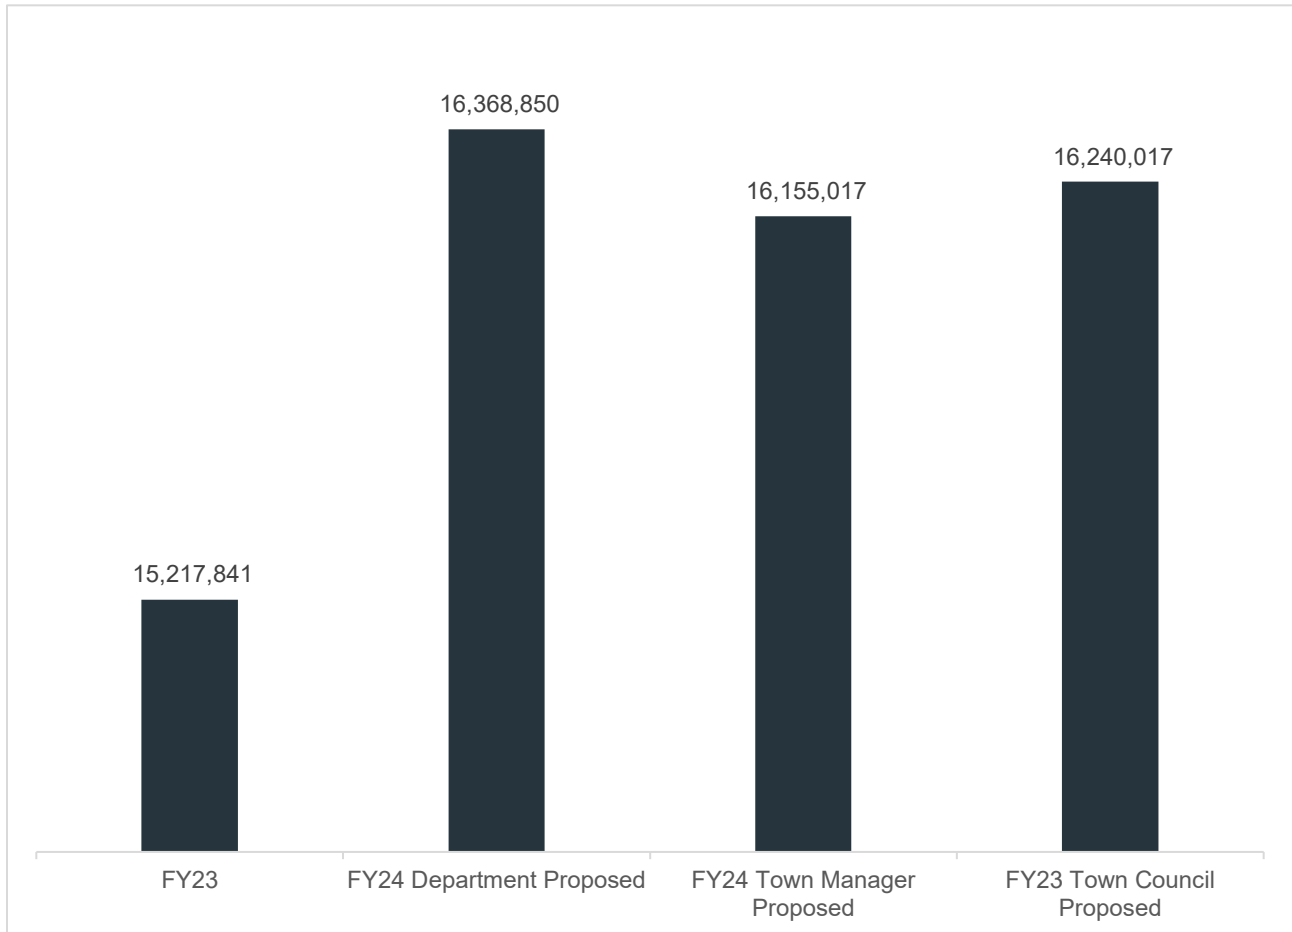

an overvalued market, we lost \$57,639 for every dollar we could raise through taxation. In 2014, we only had to correct the values by 5%.

We are scheduled to begin the five year review in 2023 with it finalized in 2024. This is mandatory by the state constitution. At the rate we are currently going with the increase in home values and the rate of inflation, we could see a situation much worse than we saw in the great recession. I am concerned we would have to correct the overall valuation by a much larger number than we did in 2014. I will work with our assessors to see what we can do to slow the process so we can get a better understanding of where the economy will be.

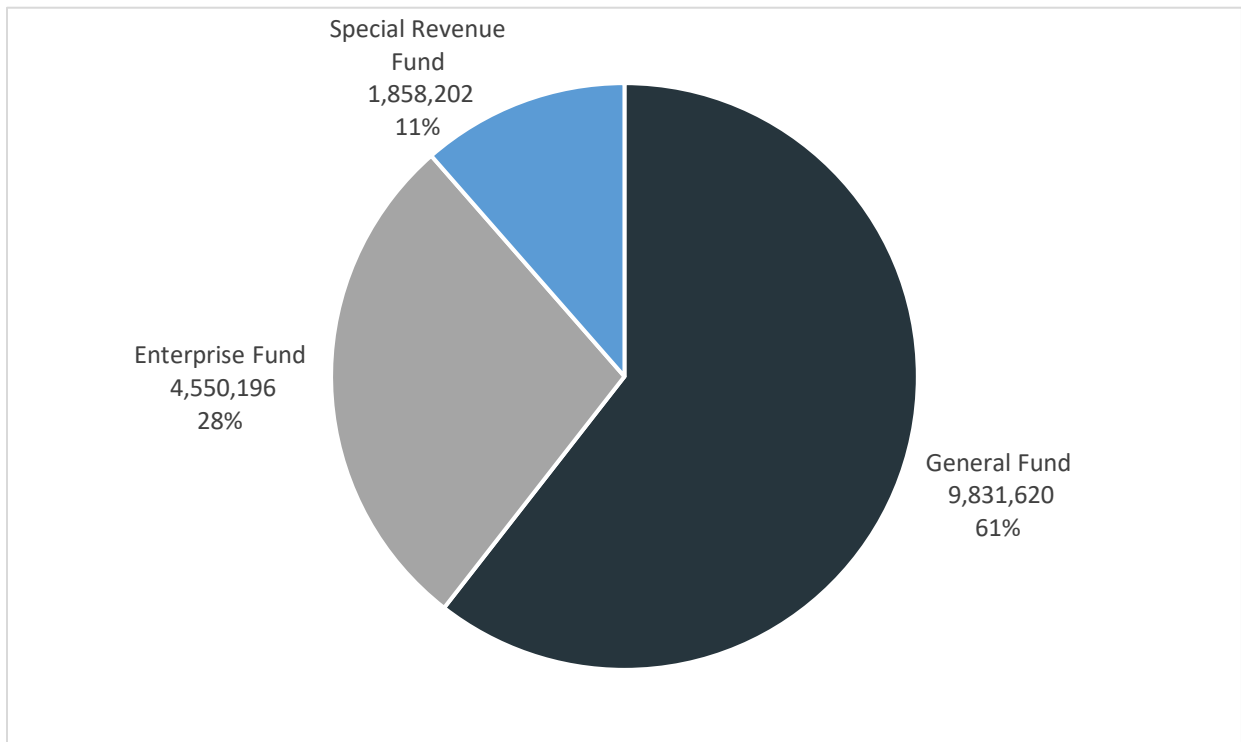

# Appropriations

## Total Appropriation Summary

The proposed Total Appropriation for the Town as proposed is \$16,250,017. This is an increase of \$1,022,117 or 6.72%. The following chart compares the Town's Total Appropriations for fiscal years ending 2023, the Department Heads proposed budget and the Town Manager's proposed budget.

General Fund accounts for 60% of the total operational funding for the Town. In addition, there are two enterprise funds for Water and Sewer, which receives its funding from utility rate charges and not through taxation. The Enterprise Funds make up 28% of the total budget. Finally, there are special funds for the Solid Waste, Recreation, and the Library. These funds make up 12% of the total budget.

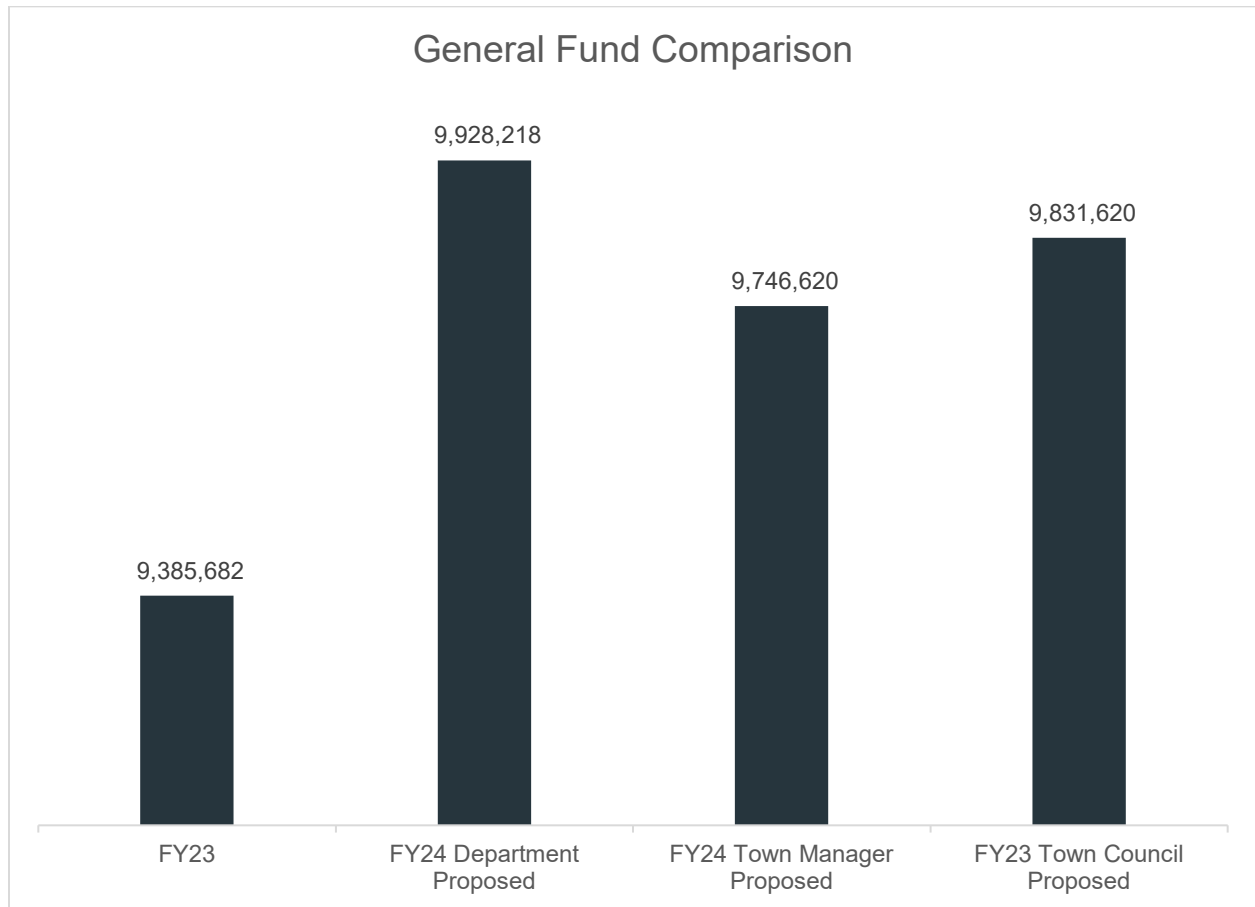

The proposed General Fund Budget is increasing \$445,937 or 4.75%. The Special Revenue Funds that cover Library, Solid Waste and Recreation Revolving Fund are increasing \$150,805 or 8.83%. The Enterprise Funds are the Water and Sewer Budgets. They are Enterprise Funds because they are not funded in any way by tax dollars, but by ratepayers. In FY24, we are budgeting \$4,550,196 an increase of \$425,433 or 10.31%.

# Town General Fund

## General Fund Appropriation Summary

General Fund appropriations cover all general government services, such as fire, police, and public works, which are not otherwise accounted for in a special revenue or enterprise fund. As was mentioned, this makes up 61% of the total Town appropriations.

The following chart is a comparison of the General Fund.

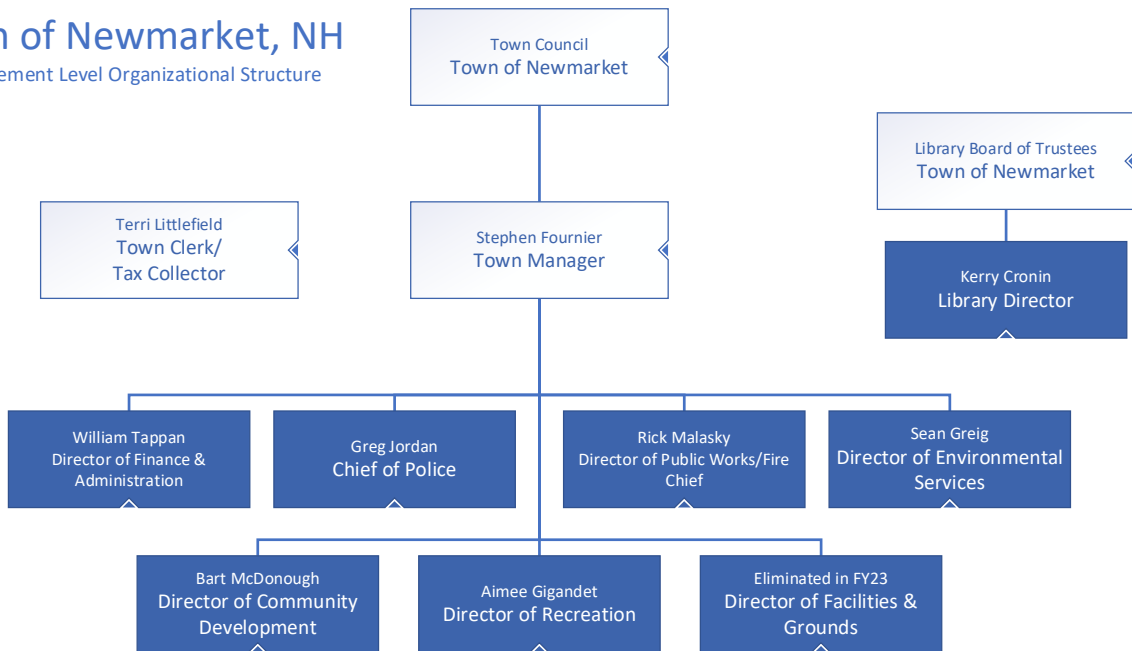

By Department, Human Resources is the largest budgetary department, making up 21% of the General Fund Budget. Police is the second largest budgetary department of the overall General Fund Budget.

## Personnel Services Costs

Personnel services costs make up much of the operating budget. For informational purposes, the following is an organizational chart that shows the various departments

### Town of Newmarket, NH Management Level Organizational Structure

After wages, the second largest areas of the personnel services budget are health benefits and other insurances. The Town has received notice from its health care provider that the Guaranteed Maximum Rate increase will increase for the coming fiscal year; and it will be 8.5%. The Town currently offers two plans: a point of service plan and an HMO plan. A vast majority have the HMO plan, with only two employees taking the point of service plan.

We are budgeting for a total healthcare impact of \$902,983 with \$762,413 coming from General Fund, \$208,479 from the Enterprise Funds and \$43,754 from the Library.

## Other Operational Costs

Department Heads have been very cognizant of the need to hold the line when it came to their department operations, however, we are facing the same inflationary costs that residents are. We are seeing an increase of between 65-110% in electricity and fuel costs.

First, we are adding a new position of Town Engineer. That individual will oversee engineering support work involving municipal infrastructure planning and oversight. They will assist with plan review for planning, coordinate large projects for Town departments, administer Town facility systems, as well as other items. To add this position, I am proposing eliminating the Facilities Director position.

Recreation will be adding a Site Supervisor position. This individual will oversee our newly “Recreation focused” *Rise & Shine Before School* (averaging 25 children daily) and our *Play and Stay After School* program (averaging 50-60 children daily). This will be offset by revenues for the program.

We are also increasing the Channel 13 Director position to fulltime. This will allow the position to not only focus on Channel 13 but serve as a media manager to provide information to the public.

## **Debt Service**

Debt Service is the combined principal, interest on any bonds the town has issued. Currently, we are budgeting \$146,879 in the general fund for these repayments. This is lower than last year. This figure steadily declines due to reduced interest costs as we pay down the outstanding principal. These do not include the bond payments for the water and sewer departments which are included in the Enterprise Funds.

## Capital Items

The Town Council recommending \$494,000 in contributions to various Capital Reserve Funds in the FY2024 operating budget. This would be a 14% decrease over the previous year.

ACCOUNT DESCRIPTION	FY2023	Dept. Head	Town Manager			Town Council

## Special and Revolving Funds

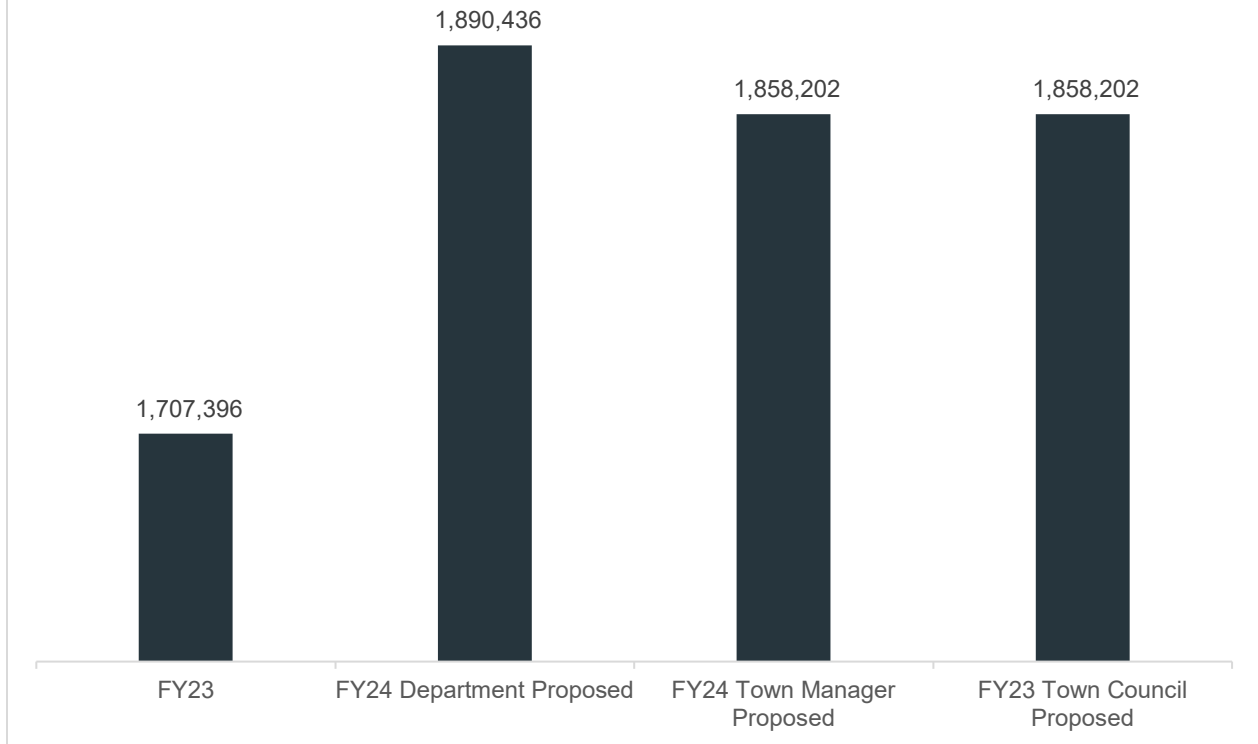

The Town has three special funds: Library; Solid Waste and Recreation. These funds are set up so the revenues that they generate go directly back to the operations of their departments. However, when revenues do not cover the cost of their operations, the Town will provide them with a subsidy through taxation.

The Library is requesting \$509,083 or a 30% increase from the previous year. The reasoning for this is bringing the part-time Children's Librarian to full-time, adding a part-time administrative assistant, and increasing staff salaries to be more closely aligned with comparable communities to support the recruitment and retention of qualified staff. Substantial increases in the budget lines for electricity, heat & oil and telephone are necessary due to rising costs. While the Library is governed by an independently appointed Board of Library Trustees, we work closely together. The Library Trustees decided to increase salaries prior to receiving the MRI salary study that they agreed to participate in. The Town Council and Town Manager did not agree with this change and has reduced their request in their proposed budgets. The entire request is subsidized through taxation.

Solid Waste is being budgeted at \$871,941 which is a 4% increase over the previous year. This change represents increases in our contracted services.

The Recreation Revolving fund is being proposed at \$478,5509,411 or a 6.45% increase from the previous year.

## Special Revenue Funds

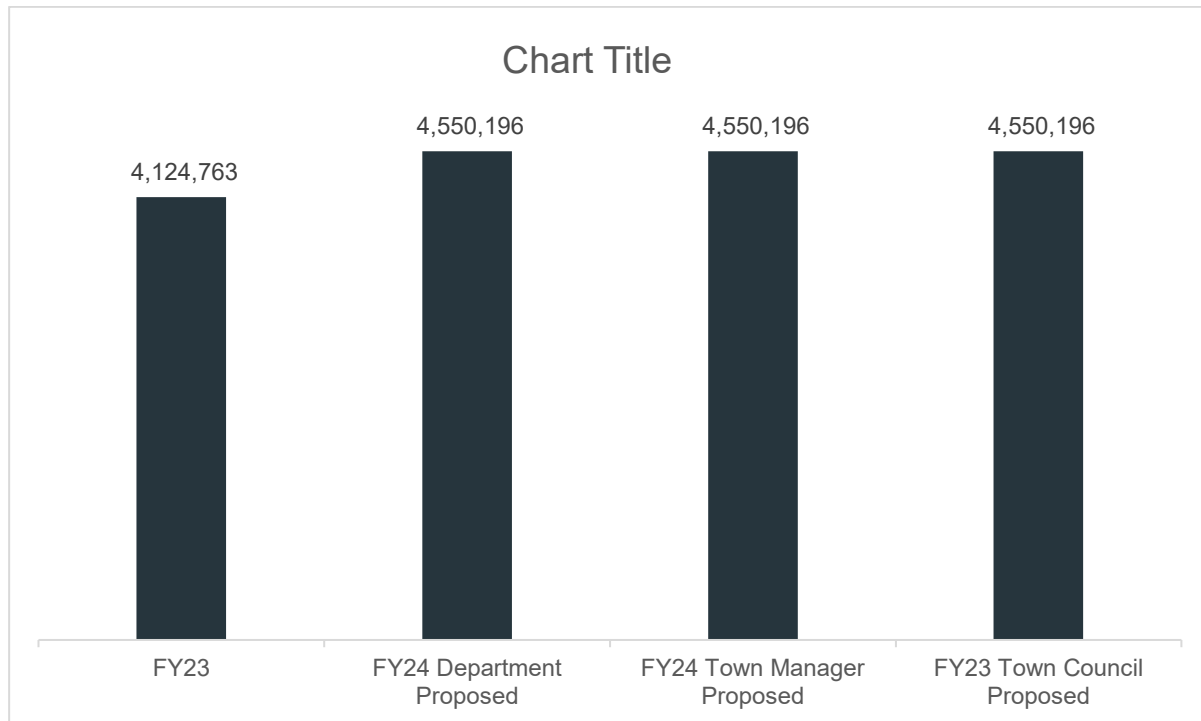

## Enterprise Funds

The Town of Newmarket has two Enterprise Funds for the operations of the Town's Water and Sewer systems. These funds are supported by user fees and do not impact the property tax rate.

The Water Fund is proposed at \$1,849,590 or increase of 10%. The main reason for this increase is due to utility increases.

The Sewer Fund is proposed at \$2,700,606 an increase of 10%. Again, most of this is due to utilities.

### ***Capital Expenditures***

We are recommending \$656,069 in contributions to the Water and Sewer Department Capital Reserve funds.

	<b>FY24 Department Requests</b>	<b>FY24 Town Manager Recommendation</b>
<hr/> <b>ENTERPRISE FUNDS</b>		
Water Department CRF	<b>201,653</b>	<b>201,653</b>
Sewer Department CRF	<b>454,416</b>	<b>454,416</b>
<b>TOTAL ENTERPRISE FUNDS</b>	<b>656,069</b>	<b>656,069</b>

## Revenues

When people think of the Town's revenue sources, most only think of the Town's property tax. While it does make up a significant amount, we do collect revenues from different sources, such as motor vehicle registrations, utility fees and other fees the Town collects. As I have mentioned previously, the Town is not immune from the fluctuation in the economy that everyone else is facing. Last year we estimated \$9,622,169 in revenues for the Town. This is an increase of 8%. We are increasing this figure due to grants to offset the water and sewer debt service as well as additional recreation revenues. We are also recommending using \$500,000 from undesignated fund balance. Please be aware that these figures are just estimates and the Department of Revenue Administration allows the Town to revise these rates prior to tax rate setting if we see any changes in the budget.

Revenue:	2023		2024		2024	
	Approved	%	PROPOSED DEPT. HEAD		PROPOSED TOWN MANAG. & COUNCIL	
			\$	%	\$	%
		Change		Change		Change
Taxes (Land Use, PILOT, Int on Taxes)	63,993	-43.93%	130,951	104.63%	130,951	104.63%
Licenses, Permits & Fees	2,051,877	5.20%	2,066,027	0.69%	2,066,027	0.69%
From State	900,543	-11.93%	897,343	-0.36%	897,343	-0.36%
Charges for Service	216,592	-13.10%	283,936	31.09%	283,936	31.09%
Misc. Revenue	247,424	17.14%	247,418	0.00%	247,418	0.00%
From Special Revenue Funds	812,412	-5.36%	946,298	16.48%	946,298	16.48%

Water	1,678,045	10.04%	1,849,590	10.22%	1,849,590	10.22%
Use of Fund Balance	500,000		200,000	-	500,000	-
Total revenues	8,915,428		9,322,169		9,622,169	
Percentage change	18%		5%		8%	

## Overall Tax Impact

*The following number would be an estimate impact on the tax rate for the next year. Again, this is just an estimate, and revenues, war service credits, the valuation of the Town as well as other factors will probably change prior to the State setting the tax rate in the fall of 2023. This estimate takes into consideration that there is no increase in the Town's valuation, and we have the same number of War Service credits.*

If the budget were to pass as presented, it would represent an increase of twenty-seven cents over the previous tax rate.

The following is a comparative breakdown:

	<b>FY23 Estimated</b>	<b>Dept. Proposed FY24</b>	<b>Town Manager Proposed FY24</b>	<b>Town Council Proposed FY24</b>
Gross Appropriation	15,217,841	16,368,850	16,155,017	16,240,017
Less Revenues	7,530,644	8,196,547	8,915,428	8,915,428
Less Shared Revenues	-	-	-	-
Add: Overlay	20,000	20,000	20,000	20,000
Add: War Service Credits	145,000	145,000	145,000	145,000
