

# Energy and Environment Advisory Committee

May 4, 2021

## Proposed Agenda

Call to order 7:00 pm

Public Comments

Invited Guest Speaker(s)

none

Approval of minutes

*Committee to vote to approve prior meeting minutes from 4/6/2021*

## Action Items

1. Report from **Town Council** meetings (Toni)
2. **Solarize Newmarket Campaign**
  - a. RFP responses have come in from 2 vendors, Revision Energy and 603 Solar. Committee will complete their evaluation of RFP responses and recommend one or more qualified vendors to Town Council for approval.
3. **Community Power NH** – current status
  - a. **Road Map to Community Power** sent to Steve Fournier and Town Council as background material (see attachment).
  - b. E&E Committee to decide whether or not to recommend Newmarket join Community Power Coalition of New Hampshire by signing the **Joint Powers Agreement** (see attachment). Newmarket would be 5<sup>th</sup> entity to join allowing CPCNH to take next formal steps on authorization.
4. **Approval of “Ready for 100” Town of Newmarket Statement**
  - a. Letter to Town Manager and Town Council on **Ready for 100** policy statement prepped and ready to be spent pending any additional documentation and references.
5. **Recharge in Newmarket Campaign**
  - a. Final review and changes to proposed letter to Newmarket business establishments asking them to support town-wide EV charging station expansion efforts.
  - b. Get info on new EV charging station donation from Revision Energy and Newmarket on plans for implementation and locating so that we can post on Facebook page.
  - c. Still pending - committee members to each pick an “top ten” set of locations for new EV charging stations and publishing a map of existing & proposed EV charging stations locations in Newmarket to support Energy Plan goals & objectives.

Meeting Close

The meeting expected to be complete and adjourned by 9:00pm.
