

TOWN OF
NEWMARKET
NEW HAMPSHIRE

Energy and Environment Advisory Committee

Wednesday September 28 at 7pm

Town Hall, Council Chamber

AGENDA/NOTICE OF MEETING

1. **Convene**
2. **Public Forum**
3. **Acceptance of Minutes**
 - a. **Ongoing Business**
 - a. New Members being added from Planning Conservation Boards
 - b. Debrief of Button Up
 - c. Recycling and Compost:
 - i. Rick Malasky has referred us to only the information on the town website for recycling/compost instructions for the PSA, but is available to answer questions
 - ii. Update on contact/scheduling with sustainability club for PSA
 - iii. Consultation on town recycling and compost policy from Christina Dubin, Beyond Plastics. [Judith Enck (Obama Admin EPA), Gabrielle Houston and Mara Herman (NCEL) are invited for future consultation.]
 - iv. Thoughts on scheduling for tour of recycling facility and their competitors
 - e. Suggestions for language on additional low-to-moderate income property tax credits for solar/renewable energy (ex. For households below median average for preceeding year, can get credit valued up to 50% of tax bill, for up to 5 consecutive years, or until total of all credits equal to cost of project)
4. **New Business**
 - a. Notes from tour of Block Island Offshore Wind Farm – Ellen Read
 - b. Beginning work on Master Energy Plan - Clean Energy NH presentation from Josh Singer scheduled for Oct 27 meeting, and consultants Rob Werner (LCV), Josh Singer (CENH), Siobhan Foley (C40), Ava Gallo and Clara Summers (NCEL) invited for consultation.
5. **[in capacity as EAC] – Continued work on EAP, with Henry Herndon, CPC NH**
 - a. Finalize language on suggested EAP
 - b. Finalize presentation to Council and suggested timeline including hearings
6. **Adjourn**
