

Rockingham County

Covering the southeast corner of the state, Rockingham County contains all of the state's 17 miles of Atlantic Ocean coastline, the shortest coastline of any state in the US. The Piscataqua River and Portsmouth Harbor separate it from Maine on a nine-mile stretch to the northeast, and it shares a 56-mile border to the south with Massachusetts. Rockingham County includes four of the Isles of Shoals, which are annexed to the town of Rye. Rockingham was one of the five original counties established in 1769, and at one time covered Concord and all Merrimack County towns east of the Merrimack River. It was named for Charles Watson-Wentworth, Marquis of Rockingham, a staunch friend of the colonies. The seacoast town of Rye was one of the first two places to be settled in New Hampshire.

Rockingham County contains 694.7 square miles of land area and 100.4 square miles of inland water area. Based on the 2010 Census population, the population density is 425.0 persons per square mile. Rockingham County includes one city, Portsmouth, and 36 towns. The county seat is Brentwood.

Population Trends: Rockingham County was the location of the first settlements and seat of government for the young State of New Hampshire, and had the largest population from the first Census in 1783 through 1840. After 160 years of modest growth, this county saw a population explosion between 1950 and 1990. Population increased over 40 percent each decade from 1950 to 1970, added 37 percent from 1970 to 1980, and 29 percent from 1980 to 1990. The rate of growth has slowed since, growing by 12.8 percent from 1990 to 2000, 6.4 percent from 2000 to 2010, and 2.7 percent from 2010 to 2016.

Population (1-Year Population Estimates, US Census Bureau)				
2016	2010	2000	1990	1980
