

TOWN OF NEWMARKET, NEW HAMPSHIRE TOWN COUNCIL AGENDA

REGULAR MEETING JUNE 3, 2015 7PM NEWMARKET TOWN HALL COUNCIL CHAMBERS

6:15 P.M. NON-PUBLIC RSA 91-A:3 II

- 1) Pledge of Allegiance
- 2) Presentation of the Boston Post Cane: Evelyn Rodier LaBranche
- 3) Public Forum **Public Forum is an opportunity for the public to address the Town Council. All comments should be addressed to the Chair of the Council. No person will be allowed to speak longer than 5 minutes.**
- 4) Public Hearing: None
- 5) Town Council to Consider Acceptance of Minutes
 - a) Minutes of May 20, 2015
 - b) Non-Public Minutes of May 20, 2015
- 6) Report of the Town Administrator
- 7) Committee Reports
- 8) Old Business
 - a) Ordinances and Resolutions in the 2nd Reading
 - i. Resolution #2014/2015-54 Auditorium Equipment Channel 13
 - ii. Resolution #2014/2015-56 Purchase Motorola APX 6500LI VHF 100 Watt Digital Mobile Radio for Police Department
 - iii. Resolution #2014/2015-57 Purchase Ford Police Cruiser for the Police Department to Include Costs Associated with Replacement of Emergency Lighting and Equipment Setup
 - iv. Resolution #2014/2015-58 Purchase APC Symetra Power Module to Replace Similar Unit in the Police /Dispatch Center
 - v.Resolution #2014/2015-59 Purchase of Two Nitronox Field Units for Fire/Rescue Department
 - vi.Resolution #2014/2015-60 Agreement With Wright-Pierce Engineers for Construction Services for WWTP Project
 - vii.Resolution #2014/2015-61 Agreement with Apex Construction to Construct WWTF Upgrade Project

viii. Resolution #2014/2015-62 Transferring Funds From Downtown TIF Capital Reserve Fund

ix. Resolution #2014/2015-63 Fiscal Year 2015 Year-End Budget Transfers

- b) Ordinances and Resolutions in the 3rd Reading *Ordinance i.* 4th Reading: Resolution #2014/2015-49 Town Council Rules for Proceedings
- c) Items Laid on the Table NONE (Items will remain on the table unless a member of the Town Council moves to remove the item.)

9) New Business/Correspondence

- a) Town Council to Consider Nominations, Appointments and Elections
 - i. Resignation: Cemetery Trustees Victoria Bram Term Expires March 2016
- b) Ordinance and Resolutions in the 1st Reading
 - i. Resolution #2014/2015-64 The Purchase of a Chevrolet Pickup Truck for Public Works
 - ii. Resolution #20014/2015-65 The Purchase of 2015 Mihindra 1538 HST Tractor for Public Works
- c) Correspondence to the Town Council
- d) Closing Comments by Town Councilors

10) Adjournment

June 3, 2015 Page 2

TOWN OF NEWMARKET, NEW HAMPSHIRE A PROCLAMATION FOR

Evelyn Rodier LaBranche
The Recipient of the Town of Newmarket's Boston Post Cane 2015

EVELYN RODIER LABRANCHE, was born in Newmarket on November 13, 1913 to Ovias and Amy Rodier. She lived at 13 New Road, Newmarket, NH. As a child she attended St. Mary's School in Newmarket. At the early age of 17 she married Terry LaBranche of Newmarket. Evelyn had two daughters, Eleanor who is a Sister of Holy Cross living in Manchester, N.H. and Lorraine Lapointe who lives at 9 New Road in Newmarket, N.H. She has two grand-daughters, Michele Butler living in Cahoas, NY and Lisa Parsons living in Tilton, NH. She has four great-grand children, two girls, Amy and Andrea Butler and two boys, Jack and Andrew Parsons. She is the very proud great-grandmother of her fifth generation great-grand son, Ryan Jr. Lacasse and great grand-daughter, Emma Lacasse the children of Amy Lacasse of Clifton Park, N.Y.

EVELYN RODIER LABRANCHE worked several years for Galant's Silk Mill as a "silk winder" later she was employed as a sample shoe stitcher for Sam Smith and Royce Shoe Factories in Newmarket. Upon retirement, she worked part-time for Kent & Pelczar Funeral Home.

EVELYN RODIER LABRANCHE had several interests throughout her life-time especially for flower gardening, making crafts of all kinds, cooking and entertaining guests. She was an active member of the local Senior Citizens Club, the Women's Club, St. Mary's Church Community and the Women's Catholic Foresters of America. The later had a Junior Forester's group of girls that Evelyn worked with planning their activities, taught them crafts and sang for nursing home residents.

EVELYN RODIER LABRANCHE enjoyed her circle of friends with whom she enjoyed trip on travel tours as well as day trips. She enjoyed belonging to a "Walking Club" which kept her walking three miles a day into her eighties.

EVELYN RODIER LABRANCHE is a very optimistic person with a great out-look on life. Loves people and needs to know what is going on around her. She believes in the importance of family life. She takes much pride in knowing she is the matriarch of a living five generation family, she takes great pride in her children, and remains connected to the extended family of nieces and nephews. Even though Evelyn is limited in sight and hearing she says; "I use what I have and that's that, I'm not going to cry over it".

In her early nineties, **EVELYN RODIER LABRANCHE** decided to give up driving. With her loss of hearing and eye sight her safety was at risk so she accepted to move to Holy Cross Health Center where the Sisters of Holy Cross welcome their mothers & relatives. She has been in residence there since 2009.

Given at the Town Council Chambers, Newmarket, New Hampshire, this 3rd day of June in the Year of our Lord, Two Thousand Fifteen.

TOWN OF NEWMARKET, NEW HAMPSHIRE TOWN COUNCIL REGULAR MEETING

May 20, 2015 7:00 PM

PRESENT: Council Chairman Phil Nazzaro, Council Vice Chairman Gary Levy, Councilor Amy Thompson, Councilor Larry Pickering, Councilor Amy Burns

EXCUSED: Councilor Toni Weinstein

ALSO PRESENT: Town Administrator Steve Fournier, Water & Wastewater Director Sean Greig, Town Planner Diane Hardy, Underwood Engineers Phil MacDonald and Ben Dreyer, Building Safety Inspector Mike Hoffman, Interim Finance Director Matt Angell

AGENDA

Chairman Phil Nazzaro welcomed everyone to the May 20, 2015 Newmarket Town Council Meeting and called the meeting to order at 7:02 pm, followed by the Pledge of Allegiance. He announced that Councilor Weinstein was excused.

Motions by the Council:

Vice Chair Levy made a motion to seal the Non-Public minutes of RSA 91-A:3 II – Personnel, and the motion was seconded by Councilor Burns. Town Administrator Fournier polled the Council and the motion passed 6-0.

Vice Chair Levy made a motion to enter into a 2-year agreement for employment with Town Administrator Fournier. Chairman Nazzaro explained, for the benefit of the public, that the contract had been in negotiations for the past 6-8 weeks and would become a public document. Town Administrator Fournier polled the Council and the motion to approve the 2-Year Contract Agreement passed the 6-0.

Chairman Nazzaro stated that the next 2 motions would be read by the Town Administrator.

Town Administrator Fournier read the first motion, which was to authorize the Town Administrator to enter into an agreement for an amount not to exceed \$77,000 with Commett Creek LLC for land located on Durrell Drive, Tax Map R5 - Lot 134 as shown on plan D-38611 of the Rockingham Registry of Deeds, to settle the Town's eminent domain proceedings versus Commett Creek LLC for the MacIntosh Well project. Vice Chair Levy made the motion to authorize the Town Administrator to enter into the agreement, and Councilor Burns seconded. Town Administrator Fournier polled the Council and the motion passed 6-0.

Town Administrator Fournier next read a motion to proceed with Deeding for taxes owed of the following properties located at Tax Map U2-92, U3-40, U2-159, and R5-43, and to begin court proceedings against properties located on Tax Map R2-18-19, U3-117-28, U3-117-36, R2-86-23, and U3-117-7C. Vice Chair Levy made a motion to proceed with the Deeding and court proceedings, and the motion was seconded by Councilor Thompson. Vice Chair Levy clarified that the proceedings were all in Small Claims Court. Town Administrator Fournier explained that for any properties liened for back taxes, after the time period owed, the State could either take the property deed or initiate court proceedings. He then polled the Council and the motion to proceed passed the Council by a vote of 6-0.

PUBLIC FORUM

Chairman Nazzaro opened the Public Forum at 7:05 pm and asked if anyone from the public wished to speak to any issues not already listed for Public Hearing.

As no one from the public came forward, Chairman Nazzaro closed the Public Forum at 7:05 pm.

PUBLIC HEARING

Chairman Nazzaro opened the Public Hearing at 7:06 pm. There were two (2) topics on the Public Hearing Agenda:

Public Hearing I - Route 108 Shoulder Widening and Bikeway Project

Town Planner Diane Hardy gave an overview of the project. She said the project had been around for a long time as a result of a grant application filed in 2001 by the New Hampshire Department of Transportation Division 6 for a Congestion Mitigation and Air Quality Improvements (CMAQ) program funded by the Federal Highway Administration. She said the project was originally a collaboration between the towns of Newmarket and Newfields to add shoulders along Route 108 from Bennett Way to the Newfields town line. She said that in 2008 the town of Newfields pulled out, and that in 2010 the State offered to pay a 20% match for the project. Town Planner Hardy explained that a feasibility study had been done first and an effort made to determine the cost of the project. She stated that this was an \$809,000 project, with 80% Federal funds and 20% State funds. She said that the Underwood Engineers Ben Dreyer and Phil MacDonald were present to go over the feasibility/engineering study results and would then open the meeting to public comment.

Engineer Ben Dreyer introduced himself and Engineer Phil MacDonald and explained that this was the first of two (2) presentations that would be made for the *New Hampshire Route 108 Shoulder Widening and Bikeway Project*. He said that he would review the project purpose and give an overview of the project, and emphasized that they were here to get public input and feedback. He stated that the Project Purpose was to create a design for shared roadway usage for bicycles and automobiles and provide a connection with other bike paths in the area. He stated that the area of the project was from Ash Swamp Road to Bennett Way, and said he would look at existing conditions, provide a description of the two alternatives, discuss project constraints, and cover the schedule for the project. He said that existing conditions included very heavy traffic for bicyclists with 17,000 vehicles per day with varied

pavement conditions and narrow pavement widths. He described Alternative 1 as having paved bike lane shoulders on either side of the road, and Alternative 2 as having a shared bike lane construction with an 8-foot path for two-way bicycle traffic, separated from the road by a grass strip. He next addressed the project constraints which included variables with right-of-way, natural features such as embankments, utility poles close to the road, and a railway corridor and drainage to consider. Mr. Dreyer stated that this New Hampshire DOT CMAQ Grant Program had a budget of \$809,000, as mentioned by Town Planner Diane Hardy. As far as the schedule, he said that they would be wrapping up the study phase by June and use the summer of 2015 to finalize the design, with construction to be set up in 2016. He added that exit surveys were being distributed in the hallway for public feedback on either of the alternatives. Maps showing the two (2) alternatives were posted on the wall.

Town Administrator Fournier specified to the public that all questions had to go through the Chairman, as Council rules needed to be followed. Chairman Nazzaro asked people to step up to the microphone and give their names and addresses.

Eric Longbottom of 136 Exeter Road said that he had lived in Newmarket for 40 years and was very much in favor of the project, feeling that safety along Route 108 needed to be addressed. He said that he did have some concerns regarding the slope of his driveway and the slope of drainage from behind his house which may need to be adjusted as a result of the project. He also mentioned costs, specifically that three (3) trees on his property might need to be cut down, but added safety was the most important thing.

Arlon Chaffee Chaffey of 2 Packers Falls Road stated that he was a longtime resident and cycling commuter and was very much in favor of <u>Alternative 1</u>. He asked about the original plan which had been to continue the bike lanes to New Road and then bring them back to Ash Swamp Road. Mr. Breyer replied that the main reason for the change was due to the bridge south of Ash Swamp Road. Mr. Chaffey felt the bridge was wide enough for 4-foot lanes, but that the guardrail presented a problem, adding that this was a pinch point on the bike route. He also asked that Ash Swamp Road to New Road be reincorporated in the project in some fashion.

Drew Kiefaber of 50 Elm Street said that he was a driver, a bicycle rider and a runner/walker. He stated that a shoulder widening project on Route 108 would make it safer for him in all three venues.

Claudia Grout of Creighton Street said she was a longtime resident and was very much in favor of the widening, adding that improving the safety of Route 108 would be a great addition to the Town of Newmarket. She thanked the engineers for their work on the project.

Eric Nichols, a resident of Newfields, came forward. Chairman Nazzaro asked if any Councilors had issues with someone outside the community speaking, and they did not. Mr. Nichols said that he and his wife both used the road as drivers and cyclists, and he wished to express his support for <u>Alternative 1</u>. He pointed out that with <u>Alternative 2</u>, northbound cyclists would have to cross Route 108 twice: once to get on the bike path and again to get off, and that this might raise additional safety concerns. He also pointed out that the Town would then be responsible for the maintenance of the path, whereas with the shoulder widening the State would provide the maintenance.

Sara Simpson of 9 Maplecrest stated that she also wanted to add her voice to <u>Alternative 1</u>, saying she was also a bicyclist and a driver. She felt that widening would make the roads safer and more enjoyable for everyone.

Scott Bowdoin, a resident of Durham, stated that he was a commuter on the route from Durham to Exeter, and expressed his thanks to the Town for pursuing the project. He said he worked with the Rockingham Planning Commission in Exeter which was a key link in the Great Bay bicycle loop. He felt previous speakers had given good reasons for <u>Alternative 1</u> based on safety, and reinforced the comments made concerning the bridge and the approach to it. He felt the approaches could be handled by resetting the curb back 1-2 feet on either side. He said that if there were a trade-off, he felt that extending the width for the bridge approaches was more important than making changes past the golf course.

Russ Simon of Cushing Road asked if there had been any changes in projections for increased usage as a result of the project. Mr. MacDonald felt any projections would only be guesstimates, and that they did not have a mechanism in place to project the amount of additional bicycle traffic.

Cliff Chase of 52 Elm Street stated that he supported <u>Alternative 1</u> and was very much in favor of it for all the safety reasons previously discussed, especially regarding the bridge. He said he believed that in 2008 the Town had approved funding for this warrant article and felt the project was overdue.

Chairman Nazzaro asked if there was an email address to which people watching could address their concerns. Town Planner Hardy replied that they could put something on the webpage to direct them to the Planning Department. She said she had also been contacted by several people who could not attend the meeting. She said that Nan Goldstein was a real advocate for the project but had concerns regarding increased noise levels. Doreen Howard of 147 Exeter Road said that the State had already taken property in front of her house and that she was not keen on losing any more land, and was not in favor of the project. She stated that Amy from the Recreation Department had mentioned they had 20 mountain bikes at the Recreation Center with no safe place for the people to ride them.

Discussion:

Councilor Pike said he wanted to support the views of those who commented on the approaches to the bridges at the south end beyond the project, feeling that it made a lot of sense. Councilor Pickering said that he had walked across that bridge on Route 108 and survived, and felt it was very dangerous and the curbs needed to be bumped back. He also mentioned a seeming disregard of motorists for the speed limits posted. Vice Chair Levy stated that he viewed this as mainly a safety issue, regardless of whether there would be increased usage, and that it was dangerous now. He also asked if further road widening was being considered for the New Road area. Chairman Nazzaro felt that between the two alternatives, for both safety and maintenance reasons, Alternative 1 was more attractive.

Town Administrator Fournier stated that after this Public Hearing there would be a second meeting at a future date <u>not</u> on a Council meeting night. After that the final design would be made, presented to the Council for approval, and then bidding documents and the construction process would go forward. Vice Chair Levy felt that all emails pertaining to the issue should be forwarded to Underwood Engineers or

the Town Administrator, allowing the people more ability to articulate tangible concerns. Town Administrator Fournier said that he would put up a copy of the power point presentation for the project on the website. Vice Chair Levy asked if procedurally, people who made recommendations would see a follow-up from Underwood Engineers. Town Administrator Fournier replied that he would post any new sets of plans with the changes, and that if the recommendations were not being taken in an explanation would be provided.

Chairman Nazzaro said that he encouraged individuals on Exeter Road whose land might be impacted by the project to send in their support or concerns. He closed the Public Hearing on the *Route 108 Shoulder Widening and Bikeway Project* at 7:38 pm.

Public Hearing II - Ordinance #2014/2015 Update the Town of Newmarket Building Construction Regulations

Chairman Nazzaro opened *Public Hearing II - Ordinance #2014/2015 Update the Town of Newmarket Building Construction Regulations* at 7:39 pm.

Building Safety Inspector Mike Hoffman stated that an ordinance had been approved in 2000 adopting a Building Code. He said that since then a State Building Code had been developed. He said that the Town had a number of different resolutions coming up adjusting building permit fees, and that the old ordinance needed to be removed from the Code Book. Town Administrator Fournier said that it had been correct at the time to adopt the ordinance, but that they had subsequently tried to amend the ordinance by adopting a resolution, which could not be done. He stated that this ordinance would repeal the prior ordinance, and that it would then become a policy which the Council could update more regularly. He emphasized that the Town should not be updating ordinances every time there is a policy change, and that it should be presented as a resolution.

Chairman Nazzaro stated that the Council would debate the issue later and asked if anyone from the public wished to speak to this.

As no one from the public came forward, Chairman Nazzaro closed *Public Hearing II - Ordinance* #2014/2015 Update the Town of Newmarket Building Construction Regulations at 7:40 pm.

TOWN COUNCIL TO CONSIDER ACCEPTANCE OF MINUTES

Acceptance of the Minutes of the Regular Meeting of May 6, 2015

Councilor Thompson made a motion to accept the minutes of the regular meeting of May 6, 2015, and Councilor Pickering seconded.

<u>Discussion/Changes</u>: Chairman Nazzaro pointed out that the fee for the Armed Forces Memorial Day Golf Tournament should be \$125, not \$25. Councilor Thompson had several questions and suggested changes on page 6 under Committee Reports in reference to Mr. Connery, on page 8 under Raffles in reference to a statement attributed to Town Administrator Fournier, and on page 10 under the

discussion of replacement of the Recreation Center doors in regard to choosing Portland Glass over Kamco, which was corrected to read: "She said she realized that parts for the doors were already available from Portland Glass, but wondered if this justified the increase in costs." She also corrected HNH on page 10 to H&H. Councilor Pike stated that he should also be included as having attended the Martha McNeil dedication ceremony, but as the statement was not made at the meeting, the correction was not done. Councilor Pickering corrected Environmental Development Committee to "Economic Development Committee". Councilor Thompson also made a correction on page 14 in reference to the Carpenter property which was changed to read: "Police and Fire Department".

Town Administrator Fournier explained to the Council that clerical changes could be forwarded to Executive Secretary Kathy Castle ahead of time and did not need to be addressed at the meeting. He then polled the Council and the amended minutes of the May 6, 2015 Town Council meeting were approved by a vote of 3-0, with 3 abstentions.

Acceptance of the Minutes of the Non-Public Meeting of April 15, 2015

Vice Chair Levy made a motion to approve the Non-Public Meeting of April 15, 2015, which was seconded by Councilor Thompson.

Town Administrator Fournier polled the Council and the minutes of the Non-Public Meeting of April 15, 2015 were approved by a vote of 6-0.

REPORT OF THE TOWN ADMINSTRATOR

Town Administrator Fournier first addressed the Linked together Kids Requesting Use of the Pocket Park for Their Lemonade Stand. He read the letter from the children which said they were unable to attend the meeting due to other commitments, and that they had used the Pocket Park every Wednesday last year to host their Lemonade Stand. They stated that last year they had raised \$143.20 to make improvements to the park, and that they now wanted to purchase a watering system. They requested from the Council that they be allowed to have their Lemonade State at Pocket Park on Wednesday again this summer. They said that money raised would go into their fund for the watering system for Pocket Park.

Councilor Thompson made a motion to authorize the Linked Together Service Program to sell lemonade on Wednesdays at the Pocket Park, and Councilor Burns seconded. Chairman Nazzaro said he was sorry that the children were unable to make the meeting. Town Administrator Fournier polled the Council and the motion passed unanimously, 6-0.

Town Administrator Fournier next addressed an issue not included in his written report, to make sure Councilors were aware of it. He stated that the Exeter Area Chamber of Commerce, along with the Newmarket Business Association, was hosting an **Economic Forum** on Wednesday June 3rd at 7:30 am at the **Mill Space**. He said the that representatives of the Exeter Area Chamber of Commerce would be asking speakers from Newmarket to explain what they had done to make the Mills project such a success in Newmarket.

Town Administrator Fournier next addressed the **April Expense and Revenue Report**, stating that the Town was doing well. He said that with 83% of the year complete, they were 81% expended. He added that this was 1% higher than at the same time last year. He said that most departments were on target to meet their expense goals, though the Public Works Department continued to run high. He explained that as Welfare continued below budget for the year, this would help offset overages in other departments, though there were several small cases coming up. He said that revenues were coming in higher and that they were already 1% above anticipated revenues. Town Administrator Fournier next stated that the **Right-to-Know Workshop** would be held again this year on June 1st at 6:30 pm in the Town Hall auditorium. He said that the Town Attorney would be reviewing the law and answering questions from Town and School officials. Town Administrator Fournier lastly provided a **COAST Bus Update**, stating that he had been working with the COAST Executive Director to address the issue of Route 7. He said that they were looking at new route schedules, which may be reduced, but that a proposal should be received shortly.

Discussion/Questions:

Councilor Thompson stated that she had a follow-up question for the Town Administrator regarding a request for documentation of the ownership of Ash Swamp Road, as she believed the Town was now responsible for it. Town Administrator Fournier clarified that it was not a sale and no document existed but that the Town did own the road. He said that records were old but that since the Town maintained the road they had ownership, adding that he did not have deeds for every road in town. Councilor Thompson then mentioned correspondence she was engaged in with the Town Administrator regarding a paving schedule for roads next to be paved in Newmarket with approximate dates. Town Administrator Fournier said there had been no new developments. Vice Chair Levy asked a question regarding the purchase of the new police vehicle, and Town Administrator Fournier explained that they were replacing an old Crown Victoria with a 4WD vehicle. Chairman Nazzaro said he was glad to see that the COAST conversation was still ongoing and that he was anxious to hear the outcome. He also pointed out to the Town Administrator that they had not yet discussed the Merit Pool. Town Administrator Fournier said he would be meeting tomorrow with Interim Finance Director Matt Angell to review the issue and would address the Council on the issue at the next meeting. Chairman Nazzaro asked if any changes would be retroactive to the beginning of the fiscal year, and Town Administrator Fournier said he would get b back to the Council.

OLD BUSINESS

ORDINANCES AND RESOLUTIONS IN THE 2ND READING

Ordinance #2014/2015-05 Update the Town of Newmarket Building Construction Regulations

Building Safety Inspector Mike Hoffman again explained that it had been inappropriate for the Town to use resolutions in an attempt to repeal an ordinance, and that the issue had gotten lost in the shuffle and recently discovered. He said that *Ordinance #2014/2015-05* would be repealing the old ordinance. He asked if there were any questions from the Council.

Discussion: Vice Chair Levy asked if the rules would only apply for new construction and if there would be anything retroactive. Mr. Hoffman stated that they would utilize State Building Code RSA-155A which included other codes such as the International Building Code, a Mechanical Code and an Electrical Code. Vice Chair Levy asked for clarification in the event someone wanted to make changes to a building and whether they would need to meet the criteria listed. Mr. Hoffman replied that they would only need to meet the criteria for the portion being renovated, and that the code was a progressive code for the most part and not retroactive. Chairman Nazzaro pointed out that Vice Chair Levy was asking questions on the ordinance that was being repealed. He then asked Mr. Hoffman if they were repealing the law because a State Law already existed which they were currently using. Mr. Hoffman stated that they now had complete re-enforceability of the State Law, where before it only applied to State-owned property. He explained that after multiple fatal fires the State had adopted a Statewide Building Code for all buildings, and at that time the Town had stopped using their own code.

Town Administrator Fournier polled the Council and the motion to approve *Ordinance #2014/2015-05* passed by a vote of 6-0.

Resolution #2014/2015-52 Authorize Town Administrator to Enter into Agreement with Northeast Earth Mechanics to Install a 16-inch Water Main from Route 108 to Great Hill Water Tower

Councilor Pike made a motion to approve Resolution #2014/2015-52 Authorize Town Administrator to Enter into Agreement with Northeast Earth Mechanics to Install a 16-inch Water Main from Route 108 to Great Hill Water Tower, which was seconded by Vice Chair Levy.

Water & Wastewater Director Sean Greig stated that this resoltion was to replace the Water Main on Route 108 from the south side of Irving and across 108 up to the Water Tower, and to make necessary electrical improvements to the Town. Vice Chair Levy asked for an explanation of how the Town reduced the award from \$1, 047,760 to \$892,710. Water & Wastewater Director Greig explained that they had included two (2) options in the bid, one to open-trench the project and one to do a directional drill, so that they could determine project cost. He said that the bid had come back to show that the directional drill would be the cheapest option, and that they had then backed out the open-cut portion. He explained that the savings were in the difference between the two options. Vice Chair Levy then questioned why only \$888,000 of the project was eligible for refunding by the DWSRF program. Water & Wastewater Greig explained that \$42,000 was ineligible as they were planning to add a conduit up to the Water Tower for telecommunications which was not covered by the SRF. Chairman Nazzaro stated that the resolution was very unclear in the way it was written. He also questioned requesting a bid for doing the project two (2) ways which was more than they actually needed accomplished. He then asked what the cost would have been for the open trench option. Water & Wastewater Director Greig replied that he would need to check that, and Town Administrator Fournier recommended that the next time he provide a table clearly showing the different options. Vice Chair Levy said he thought they had chosen the lower bid because the funding had been available. Chairman Nazzaro requested using a chart in future clearly showing each option and providing both recommendations made.

Town Administrator Fournier polled the Council and Resolution #2014/2015-52 passed by a vote of 6-0.

Resolution #2014/2015-53 Relating to the Town's Investment Policy

Councilor Thompson made a motion to approve *Resolution #2014/2015-53 Relating to the Town's Investment Policy*, which was seconded by Vice Chair Levy.

Interim Finance Director Matt Angell provided an overview of the resolution. He said that every year the Town is required to adopt an Investment Policy to help the Town Treasurer guide the investing of surplus Town funds. He specified that the policy only applied to funds under the control of the Town Treasurer, and that the Trustees of the Trust Funds and the Library Trustees approved their own policies, with the key being safety. He said that two (2) changes had been made, the first under Special Considerations to specify which collateralization should be referencing a section within the investment policy rather than being independent with special considerations. He said that the second related to Standards of Care regarding "prudent person" rules, ethics, and conflicts of interest. Under Delegation of Authority he noted that the treasurer can delegate certain authority to individuals which would also need approval by the Town Council. Under Authorized Investments he explained they could only be in cash or cash equivalent. Under Approved Institutions he explained that permission was needed from the Town Council to put funds in certain institutions, which he was formalizing this year. He said that under Collateralization the Town needed to collateralize all their investments which meant insuring their cash balances were above the FDIC limits of \$250,000. He said that currently they were collateralized at Citizen's Bank at 102% and at TD Bank to the amount rounded up to the nearest million above their current deposits. He said that under Foreign Investments they needed to make sure it was stated that they do not invest in any foreign securities whatsoever.

<u>Discussion</u>: Vice Chair Levy asked why the banks listed in the policy had been chosen and wondered if this precluded other banking institutions or credit unions. Town Administrator Fournier stated that per State Law they could not invest in credit unions, and Interim Finance Director Angell explained that the problem was that credit unions did not offer a collateralization product sufficient for the size of the Town's balances. Vice Chair Levy voiced concerned that they were being limited by not listing other FDIC approved banks. Interim Finance Director Angell said part of the reason for the limit was geographical, but that other banks could also be specified. Town Administrator Fournier explained that it was mostly a suggested list of banks, and that local governments could only invest in banks approved by the State of New Hampshire as a government bank. Chairman Nazzaro asked if they could amend the listing to state that Town monies could be invested in banks approved by the State of New Hampshire rather than listing specific institutions. Interim Finance Director Angell said it should state "Town monies in banks approved by the State Treasury". Councilor Pike suggested it would be much better if the document showed the changes that were made and included both the old language and the new language. Chairman Nazzaro also reinforced that issue.

Town Administrator Fournier polled the Council and Resolution #2014/2015-53 passed by a vote of 6-0.

ORDINANCES AND RESOLUTIONS IN THE 3RD READING - None

ORDINANCES AND RESOLUTIONS IN THE 4TH READING

Chairman Nazzaro stated that they had a number ordinances and resolutions in the 4th reading and that a full Council was not present.

Ordinance #2014/2015-04 Regulating Raffles

Chairman Nazzaro said that in regard to *Ordinance #2014/2015-04 Regulating Raffles*, Councilor Weinstein had made it quite clear in an email that she was against the ordinance.

Discussion:

Vice Chair Levy felt that the Council had already gone through this ordinance and that Town Administrator Fournier had repeatedly said this was State Law and the Town was compelled to abide by State Law. He asked Town Administrator Fournier if his answer was the same. Town Administrator Fournier stated that the authority to issue raffle permits was not specifically designated to the Chief of Police and himself, which meant people applying for raffles would need to come before the Council each time they needed a permit. He said that the ordinance would allow the process to be streamlined and only go through them for approval. Chairman Nazzaro asked why a resolution could not be used instead of an ordinance. Town Administrator Fournier explained that the Town needed a law in their Code Book. Chairman Nazzaro felt that as the law already existed as a State Law, that they could more simply have a resolution authorizing the Chief of Police and Town Administrator Fournier to issue the permits. Town Administrator Fournier explained that he had asked the Town Attorney if law was needed by the Town, and that he had indicated that they did need a law. He added that he had checked with other communities who were following the same procedure. He said he wanted to make sure they had it written down and wanted to make the process easier for applicants. Chairman Nazzaro pointed out that per RSA 287:7 a permit could be issued for a year.

Town Administrator Fournier then reviewed the issues that had come up that had started the ordinance process. He said that an individual had asked where to go to obtain a raffle permit, and another had asked for reassurance as to the legitimacy of an organization conducting a raffle. Vice Chair Levy felt the Town should have something in place for enforcing the State Law. Chairman Nazzaro said the issue was that the Town had just not been enforcing the State Law, Vice Chair Levy felt that Town Administrator Fournier was covering the Town and the legal entity that existed. Town Administrator Fournier reiterated that they needed to put a process in place for the Town codifying that Policy Chief Cyr and the Town Administrator were the ones who issued and approved the permits. Councilor Burns said that she was not against the philosophy of the ordinance but did not like the way the process was structured and felt it could be further streamlined. She asked whether the Town had to have an ordinance for every State Law, and Town Administrator Fournier replied that this gave the authority to the Town and made the issue clear. Councilor Burns expressed concerns regarding volunteer entities such as churches and schools, and said she did not want to them to be inhibited. Town Administrator Fournier said that he would reach out to organization having constant raffles, but that they also needed to have a list of legitimate organizations on file. Councilor Pike felt that if it was a question of needing language of this type, with legal councilors saying that we did, he said he was prepared to go along with legal opinions.

Town Administrator Fournier then read the note from Councilor Weinstein stating that she did not support the ordinance and felt it would place an unnecessary burden on organizations that were helping the Town of Newmarket. She felt that the ordinance could be much simpler by having organizations fill out a form at the Police Department or the Town Hall, and that this would also provide a record of all raffles to address any issues that might arise. Chairman Nazzaro said he did not see why they were simply cutting and pasting the existing State Law, and pointed out that any changes in Concord would again leave them with an ordinance out of compliance. He said that he would much rather make it simpler and have it reference State Law, being very clear as to the Town process. Town Administrator Fournier pointed out that this was not personal, and that the Town also needed to adopt laws. Chairman Nazzaro felt the Town needed a process, not a law. Vice Chair Levy said he felt that State Law was changing and that the Town was simply reinforcing it as a local issue. Councilor Burns asked if filling out the forms would be enough and Town Administrator Fournier replied that they also needed to be approved. He then clarified that the ordinance was not making the process, but putting the law in place to allow the Chief of Police and himself to come up with a process. He added that the Council could amend the ordinance, but felt that it was up to the Council to make a decision now to approve or amend. Councilor Thompson asked if it would be helpful if the information listed under Section 18-113 regarding "permits required" were amended to say "it would be unlawful for any person conducting a raffle in the Town of Newmarket without first obtaining a permit" and specify where to apply. Town Administrator Fournier reiterated the ordinance was not meant to give procedure, and that State Law required specific information be printed on the raffle tickets.

Chairman Nazzaro asked whether the attorney could come in to explain legally why they needed the ordinance. Town Administrator Fournier suggested that in that case, they just defeat the ordinance by either voting it up or down. Vice Chair Levy referred to the point made by Councilor Thompson to just have a definition in place. Town Administrator Fournier suggested they only state that the Chief of Police or a designee must approve any permit prior to the sale of the ticket, and remove the Town Administrator. Councilor Pike said he was fine with that change, and Vice Chair Levy felt they should also reference consulting RSA 287A for compliance rules. Town Administrator Fournier reiterated that the purpose of the ordinance was for the Council to designate someone as the approver. Councilor Pickering expressed concern about placing all the burden on Chief Cyr and said he felt it should be a function of Town Hall. He added that the only way to get past this logjam was to move it to a vote. Councilor Pike also felt they were not making any progress. Vice Chair Levy asked if they were changing the ordinance to Chief of Police, and Town Administrator Fournier said they should make a motion to amend the ordinance to remove the Town Administrator

Vice Chair Levy made a motion to amend the ordinance to state under <u>Approval of Permit</u> that the Chief of Police must approve any permit and Chairman Nazzaro seconded. Councilor Pike referenced a comment made by Councilor Pickering regarding possibly burdening the Chief of Police, and now felt that it would be easier for the community to have flexibility in where to obtain permits. Vice Chair Levy withdrew his motion to amend the ordinance and Chairman Nazzaro withdrew his second.

Councilor Pike made a motion to approve *Ordinance #2014/2015-04 Regulating Raffles* which was seconded by Councilor Pickering. The ordinance passed the council by a vote of 4-2.

Resolution #2014/15-49 Town Council Rules for Proceedings

Chairman Nazzaro asked that *Resolution #2014/15-49 Town Council Rules for Proceedings* be held for a full Council.

ITEMS LAID ON THE TABLE - None

NEW BUSINESS/CORRESPONDENCE

TOWN COUNCIL TO CONSIDER NOMINATIONS, APPOINTMENTS AND ELECTIONS

Zoning Board of Adjustments - Alternate: William Barr Term Expires March 2018

Councilor Thompson made a motion to approve the appointment of *William Barr Term Expires March 2018* as an Alternate to the Zoning Board of Adjustments, which was seconded by Vice Chair Levy.

Town Administrator Fournier polled the council and the motion to appoint *William Barr* passed the Council unanimously, 6-0

Veterans Trust Committee: Nancy Eaton Term Expires March 2018

Councilor Thompson made a motion to approve the appointment of *Nancy Eaton Term Expires March 2018* to the Veterans Trust Committee, which was seconded by Vice Chair Levy.

Nancy Eaton was present at the meeting and briefly addressed the Council. She said that she was a recent widow and had lived a military life, though she was not a veteran herself. She said that she was retiring in June and felt this was something she would like to do, saying she had the time and the interest. She said that she had lived in Newmarket for a total of 19 years and that her family had a lot of history in the Town, and she wanted to give back.

Councilor Pickering thanked Ms. Eaton for stepping forward and said it was nice to see new faces. Chairman Nazzaro said that meetings were held on the third Tuesday of every month and thanked her for coming.

Town Administrator Fournier polled the council and the motion to appoint *Nancy Eaton* passed the Council unanimously, 6-0

Capital Improvement Program - Member at Large: Russell Simon Term Expires August 2017

Councilor Thompson made a motion to approve the appointment of *Russell Simon Term Expires August* 2017 as a Member-at-Large of the Capital Improvement Program, which was seconded by Councilor Pike.

Town Administrator Fournier polled the council and the motion to approve the appointment of *Russell Simon* passed the Council unanimously, 6-0.

ORDINANCES AND RESOLUTIONS IN THE 1ST READING

Resolution #2014/2015-54 Auditorium Equipment - Channel 13

Chairman Nazzaro read Resolution #2014/2015-54 Auditorium Equipment - Channel 13, in full.

Resolution #2014/2015-55 Purchase Air Conditioning Unit for Police Dispatch Center (*TA Requests to Suspend the Rules*)

Chairman Nazzaro read Resolution #2014/2015-55 Purchase Air Conditioning Unit for Police Dispatch Center, in full.

Vice Chair Levy made a motion to suspend the rules and Councilor Pike seconded.

Councilor Thompson asked why the rules needed to be suspended. Town Administrator Fournier explained that at least two (2) readings were required, but that by suspending the rules the Council could vote at this meeting. He added that suspending the rules required a 2/3 vote for passage. Vice Chair Levy stated that no backup information had been provided and that quotes were needed by the Council.

Town Administrator Fournier polled the Council and the motion to suspend the rules passed by a vote of 4-2.

Vice Chair Levy made a motion to approve *Resolution #2014/2015-55 Purchase Air Conditioning Unit for Police Dispatch Center*, and it was seconded by Councilor Pike.

<u>Discussion</u>: Vice Chair Levy asked Town Administrator Fournier why he could not just make the \$6,000 purchase. Town Administrator Fournier replied that he needed Council approval as they were using Capital Reserve funds. He said that the resolution basically gave permission to the Town to spend up to \$6,000 for the unit. Vice Chair Levy asked how many bids had gone out and Town Administrator Fournier said there had been three (3) but that he had not brought the information. Vice Chair Levy said that when asked to suspend the rules he needed to see the wording of the bids, and Councilor Thompson stated that she also required backup when suspending the rules though she did not have a problem helping a department out. Chairman Nazzaro said that he also did not like suspending the rules with zero backup and that is was not due diligence on their part.

Town Administrator Fournier polled the Council and *Resolution #2014/2015-55* passed the Council by a vote of 5-1.

Resolution #2014/2015-56 Purchase Motorola APX 6500LI VHF 100-Watt Digital Mobile Radio for Police Department

Chairman Nazzaro read *Resolution #2014/2015-56 Purchase Motorola APX 6500LI VHF 100-Watt Digital Mobile Radio for Police Department*, in full.

Resolution #2014/2015-57 Purchase Ford Police Cruiser for the Police Department to Include Costs Associated with Replacement of Emergency Lighting and Equipment Setup

Chairman Nazzaro read Resolution #2014/2015-57 Purchase Ford Police Cruiser for the Police Department to Include Costs Associated with Replacement of Emergency Lighting and Equipment Setup, in full.

Resolution #2014/2015-58 Purchase APC Symetra Power Module to Replace Similar Unit in the Police/Dispatch Center

Chairman Nazzaro read Resolution #2014/2015-58 Purchase APC Symetra Power Module to Replace Similar Unit in the Police/Dispatch Center, in full.

Resolution #2014/2015-59 Purchase of Two Nitornox Field Units for Fire/Rescue Department

Chairman Nazzaro read Resolution #2014/2015-59 Purchase of Two Nitornox Field Units for Fire/Rescue Department, in full.

Resolution #2014/2015-60 Agreement with Wright-Pierce Engineers for Construction Services for WWTP Project

Chairman Nazzaro read Resolution #2014/2015-60 Agreement with Wright-Pierce Engineers for Construction Services for WWTP Project, in full.

Resolution #2014/2015-61 Agreement with Apex Construction to Construct WWTF Upgrade Project

Chairman Nazzaro read Resolution #2014/2015-61 Agreement with Apex Construction to Construct WWTF Upgrade Project, in full.

Resolution #2014/2015-62 Transferring Funds from Downtown TIF Capital Reserve Fund

Chairman Nazzaro read Resolution #2014/2015-62 Transferring Funds from Downtown TIF Capital Reserve Fund, in full.

Resolution #2014/2015-63 Fiscal Year 2015 Year-End Budget Transfers

Chairman Nazzaro read Resolution #2014/2015-63 Fiscal Year 2015 Year-End Budget Transfers, in full.

COMMITTEE REPORTS

Councilor Burns said that the Conservation Commission had met on April 21st and that they would be sponsoring a Fishing Derby this year on Father's Day.

Councilor Pickering reported on the Budget Committee meeting of May 18th. He said that the School Budget Report for end of April 2015 had been presented and that there had been a 25% employee turnover in the last year in the School District. He said that the Cadillac Tax, which funds the Affordable Care Act, would be coming in 2018. He also reported that there had been no volunteers for the Capital Improvement Program (CIP) Committee and that Mr. Lang remained as the alternate.

Vice Chair Levy reported on the Planning Board meeting of May 12th, saying that he stood in for Councilor Pike. He said that Strafford Regional Planning had provided a good explanation at the meeting and that a lot of recommendations had been made including support and backup for more affordable housing. He recommended that anyone concerned about the Master Plan should watch the tape of the meeting, and that another charrette would be set up once the Master Plan had been annotated. Town Administrator Fournier stated that the next charrette would be held on June 16th in the Town Hall at 6:30 pm.

Chairman Nazzaro said that the Veterans Memorial Trust golf tournament had gone well and thanked everyone who participated.

CORRESPONDENCE/CLOSING COMMENTS

Councilor Pickering stated that the oldest resident in Newmarket had passed away at the age of 102 years.

Town Administrator Fournier said that he had started a list of the oldest citizens starting with the next individual and was discussing this with the Cemetery Trustees. He reminded everyone that the Memorial Day Parade was scheduled for May 30th.

Chairman Nazzaro announced that the next meeting of the Town Council would be held on June 3, 2015.

ADJOURNMENT

Vice Chair Levy made a motion to adjourn the meeting, which was seconded by Councilor Pike. The meeting was adjourned at 9:30 pm.

Respectfully submitted,

Patricia Denmark, Recording Secretary

STEPHEN R. FOURNIER
TOWN ADMINISTRATOR

sfournier@newmarketnh.gov www.newmarketnh.gov

TOWN HALL 186 MAIN STREET NEWMARKET, NH 03857

TEL: (603) 659-3617 FAX: (603) 659-8508

FOUNDED DECEMBER 15, 1727 CHARTERED JANUARY 1, 1991

TOWN OF NEWMARKET, NEW HAMPSHIRE OFFICE of the TOWN ADMINISTRATOR

REPORT OF THE TOWN ADMINISTRATOR June 3, 2015

Water Emergency: The United States Drought Monitor has indicated that Newmarket, along with most of New England, is experiencing moderate drought conditions. While it may seem odd with all of the snow we received this winter, we did not get much rain this spring to replenish our water sources. The Water and Sewer Superintendent and I are monitoring the water levels of the Town wells. Currently, the Town is under a Stage II water emergency. Just to remind residents, a stage II emergency restricts those homes and businesses that are on the Town's water system to when they can water their lawns. Those whose addresses end in odd numbers are able to water on odd numbered days only. Those whose addresses end in even numbers are able to water on even numbered days only.

Unless something dramatically changes, pursuant to Section 14-26 of the Town Code, I am preparing to declare a Stage III water emergency in Town. Stage III restricts lawn watering to two days a week between 5-8AM and 6-9PM. Even number addresses will be on Tuesday and Thursday, and odd addresses on Monday and Wednesday. There will be no washing driveways, sidewalks, autos, or boats. Hand held hoses may be used for flower and vegetable gardens plus shrubbery without hour and day restrictions. Anyone violating this ordinance may be subject to a fine.

I should have more information for the Town Council meeting.

COAST Route 7: I am happy to say that COAST Route 7 will be continuing in a modified manner. The Town Manager of Exeter, the Executive Director of COAST and I worked to establish a modified route to provide a few main items. Primarily was to have some ADA transit service. This was the most requested item that we heard during the hearings. This new route will also provide people the ability to shop in Exeter/Stratham and get to Exeter Hospital. The new route will circle between Exeter and Newmarket, three workdays a week and on Saturdays. The route will begin at 9:35 each morning and the last bus will leave Newmarket at 5:04PM. The Saturday route will be very similar. The route will also compliment Wildcat Transit to allow people to get to Dover and Portsmouth.

The days of the week have not been announced yet. This service will begin on June 29.

Regional Waste Water Treatment Facility: The Town Council asked that we continue to monitor the City of Portsmouth and Town of Exeter's wish to establish a regional Waste Water Treatment Facility at Pease Tradeport. Portsmouth's staff recommended that they move forward with the upgrading of their Pierce Island facility. They did so, because they estimated that cost to be \$90.1 million whereas the upgrade of the Pease facility would be \$137.9 million. The City Council approved this recommendation.

While they are going to continue to work with Exeter to accept wastewater at Pease, for all intents and purposes the regional option will not be going forward as part of this project.

Regional Economic Development Forum: This will be held the morning of the Town Council meeting and I will provide an update at the meeting.

Younees

Auditorium Equipment - Channel 13

WHEREAS, the Town of Newmarket is modernizing the auditorium at Town Hall, and

WHEREAS, the IT Department obtained three quotes for recording, sound, and display equipment, and

WHEREAS, the price of said equipment is \$40,390, and

WHEREAS, the Cable TV Capital Reserve Fund has a balance of \$71,786, as of March 31, 2015.

NOW, THEREFORE BE IT RESOLVED that the Newmarket Town Council does hereby authorize the withdrawal of an amount not to exceed \$40,390 from the Cable TV Capital Reserve Fund and to authorize the Town Administrator to enter into any related contracts for said equipment.

Resolution for Auditorium Update

With the auditorium newly carpeted and painted, we are now on to the phase of modernizing the television studio, recording area, and meeting areas.

We felt that adding a ceiling mounted projector with a drop down screen would facilitate meetings where presentations need to be made. Currently some of the wiring involved in meetings in the auditorium must run on top of the floor, creating a real tripping hazard. Some of the microphones have been soldered together and don't even work, and some of our monitors are failing.

It has been more than ten years since we installed the initial equipment for recording meetings. During that time we have received a \$70,000 payment from Comcast that is now in the Capital Reserve Fund. With this update, we can get past many of the limitations in the auditorium without impacting the tax rate. This update of equipment should easily last the Town another ten years, and still leave the Capital Reserve fund with almost the same amount as we propose to withdraw.

We requested bids and even went online to fill out a few. With three bids (attached) we recommend going with Access A/V out of Concord, NH. Not only were they the low cost quote, they offer same day local support, and a crew of technicians who can come onsite and help us with issues at any time. The other vendors lack this ability. Also, shipping estimates range from \$700 to more than \$1000 due to the weight of some of the items. With Access A/V we can pick the items up ourselves and save a lot of shipping costs.

Regards,

Doug Poulin

TOWN OF NEWMARKET, NEW HAMPSHIRE By the Newmarket Town Council Resolution #2014/2015-56

Purchase of a Motorola APX 6500LI VHF 100 Watt Digital Mobile Radio for the Police Department

WHEREAS, the Police Department seeks to replace the current obsolete Motorola Astro Police Digital Mobile Radio with a new Motorola APX 6500LI VHF 100 watt digital radio at the State bid price of \$3,999.00; and

WHEREAS, the installation will be completed during the setup of a new police cruiser at no additional cost to the Town; and

WHEREAS, the Police Dispatch/Radios Capital Reserve Fund currently has a balance of \$102,353.

WHEREAS, the total cost for the vehicle and related equipment is estimated not to exceed \$49,100.00.

NOW, THEREFORE BE IT RESOLVED that the Newmarket Town Council does hereby approve the withdrawal of funds not to exceed \$3,326 from the Police Dispatch/Radios Capital Reserve Fund for the purpose of purchasing a new Motorola Digital Mobile Radio from the Capital Reserve Fund and to authorize the Town Administrator to execute any associated agreements.

Inter-Office Memorandum

May 27, 2015

TO:

Town Administrator Fournier

FROM:

Chief Cyr

RE:

Background Information regarding the Council Resolutions for June 3rd.

Police Cruiser & Cruiser Mobile Radio

I have attached the state Bid Quote from Grappone Ford for the vehicle and three quotes from outfitters who will up build the cruiser from the base vehicle we receive from Ford. The up build takes about three weeks. At some point either prior to the up build or directly after, we will have the vehicle lettered. I usually use NH Signs out of Londonderry for this task, because they already have the pattern for the decals and they know exactly what we want. The cost of the decals and lettering is about \$400.00. I did not solicit three quotes for the lettering.

The up build quotes are from three well known vendors that we have used in the past:

2-Way Communications Adamson Industries Ossippee Mountain Electronics

All three vendors have included the cost of the Cruiser Mobile Radio in their bids since they will be responsible for programing the radio and installing it in the cruiser.

APX Power Module for Dispatch

This item was purchased directly from the manufacturer to replace a defective part in the system. It was a single source vendor. The item has been purchase and was installed by town employees and the bill has been paid. The reason we are seeking reimbursement through the Dispatch CIP is to cover a large unforeseen expenditure. It was originally thought that the entire power unit needed replacement but we were able to replace just the defective piece.

TOWN OF NEWMARKET, NEW HAMPSHIRE By the Newmarket Town Council Resolution #2014/2015-57

Purchase of a Ford Police Cruiser for the Police Department to Include Costs Associated with Replacement of Emergency Lighting, and Equipment Set-up

WHEREAS, the Police Department seeks to replace the current 2007 Ford Crown Victoria with 128,830 miles with a new Ford police cruiser at the State bid price of \$28,234.00; and

WHEREAS, the Department's request includes the replacement of emergency lighting, and equipment set-up; and

WHEREAS, the Police Vehicles Capital Reserve Fund currently has a balance of \$171,046; and

WHEREAS, the total cost for the vehicle and related equipment is estimated not to exceed \$49,100.00.

NOW, THEREFORE BE IT RESOLVED that the Newmarket Town Council does hereby approve the withdrawal of funds not to exceed \$49,100.00 from the Police Vehicle Capital Reserve Fund for the purpose of purchasing and equipping a new Ford police cruiser for the Town and to authorize the Town Administrator to execute any associated agreements.

Re: Vehicle Proposal

Hi Kevin,

April 27th, 2015

Per your request, quote for 2016 Ford Explorer Utility Interceptor. Black exterior with roof and 4-doors white vinyl wrap. Sync "hands free calling", noise suppression bonds, and heated sideview mirrors were added to the quote per our conversation. Municipal Pricing. Thank you.

Quote Price: \$28,234

Sincerely,

Jeff Harsin Fleet Mgr. 603-226-8010 jharsin@grappone.com

TOWN OF NEWMARKET, NEW HAMPSHIRE By the Newmarket Town Council Resolution # 2014/2015 –58

Purchase of an APC Symetra Power Module to Replace a Similar Unit in the Police Dispatch Center

WHEREAS, the Police Department Dispatch Center seeks to replace a power module for the battery backup system that is over fifteen years old and has failed and cannot be replaced; and

WHEREAS, the battery backup system is critical to the ability of the dispatch center to function during power outages; and

WHEREAS, the cost of replacing the power module is \$1,289.79; and

WHEREAS, the Dispatch Capital Reserve Fund currently has a balance of \$102,353.

NOW, THEREFORE BE IT RESOLVED that the Newmarket Town Council does hereby approve the purchase of a new power module at a price of \$1,289.79, and further approves the withdrawal of said costs from the Dispatch Capital Reserve Fund and to authorize the Town Administrator to execute any associated agreements.

First Reading: May 20, 2015

Second Reading: June 3, 2015

Approval: June 3, 2015

Approved:

Philip Nazzaro, Chairman Newmarket Town Council

A True Copy Attest:

Terri Littlefield, Town Clerk

Inter-Office Memorandum

May 27, 2015

TO:

Town Administrator Fournier

FROM:

Chief Cyr

RE:

Background Information regarding the Council Resolutions for June 3rd.

Police Cruiser & Cruiser Mobile Radio

I have attached the state Bid Quote from Grappone Ford for the vehicle and three quotes from outfitters who will up build the cruiser from the base vehicle we receive from Ford. The up build takes about three weeks. At some point either prior to the up build or directly after, we will have the vehicle lettered. I usually use NH Signs out of Londonderry for this task, because they already have the pattern for the decals and they know exactly what we want. The cost of the decals and lettering is about \$400.00. I did not solicit three quotes for the lettering.

The up build quotes are from three well known vendors that we have used in the past:

2-Way Communications Adamson Industries Ossippee Mountain Electronics

All three vendors have included the cost of the Cruiser Mobile Radio in their bids since they will be responsible for programing the radio and installing it in the cruiser.

APX Power Module for Dispatch

This item was purchased directly from the manufacturer to replace a defective part in the system. It was a single source vendor. The item has been purchase and was installed by town employees and the bill has been paid. The reason we are seeking reimbursement through the Dispatch CIP is to cover a large unforeseen expenditure. It was originally thought that the entire power unit needed replacement but we were able to replace just the defective piece.

TOWN OF NEWMARKET, NEW HAMPSHIRE By the Newmarket Town Council Resolution #2014/2015-59

Purchase of Two Nitronox Field Units for Fire/Rescue Department

WHEREAS, the Fire Department has requested an Ambulance Revolving Fund transfer of \$8,000 for the purchase of two Nitronox Field Units, and

WHEREAS, Notronox Field Units delivers nitrous oxide for the management of severe pain from injuries, such as broken bones, dislocations, and back injuries, and

WHEREAS, the Ambulance Revolving Fund has \$189,017 available for expenditure as of April 30, 2015.

NOW, THEREFORE BE IT RESOLVED that the Newmarket Town Council does hereby authorize a transfer of \$8,000 from the Ambulance Revolving Fund for the purchase of two Nitronox Field Units.

INTEROFFICE MEMORANDUM

TO:

STEVE FOURNIER, TOWN ADMINISTRATOR

FROM:

RICK MALASKY, FIRE CHIEF

SUBJECT: NITRONOX FIELD UNIT PURCHASE

DATE:

5/11/2015

I am requesting that the Town Council approve the release of \$8,000 from the Ambulance Revolving Fund for the purchase of two Nitronox Field Units. These units are newly available from a company called Porter, a medical and dental product manufacturer. The unit administers nitrous oxide which has recently been included in NH Patient Care Protocols for use as a potent analgesic (for treating pain.) Nitrous oxide is used in the management of severe pain, resulting from injuries such as broken bones, dislocations and back injuries, a frequent reason for emergency calls.

Currently we do not have any medications on the ambulance to treat pain. We are only able to provide stabilization and positioning of the injury to provide comfort. This method is ineffective because a considerable amount of motion is necessary to load the patient into the ambulance. Patients often suffer injuries in staircases and other difficult to access areas which further complicates this pain management technique.

An intercept paramedic service such as Exeter ALS can provide narcotic pain management to our patients. Unfortunately there is usually a delay between our arrival and the arrival or intercept of the paramedic. Often, environmental conditions or other concerns require moving the patient prior to the arrival of a paramedic. Additionally, nitrous oxide is better suited to treat pain in this scenario because it works quickly and is self-administered by the patient.

The unit is available from a single source supplier: Henrey Schien Dental supply in Waltham MA. The price of the unit is \$3,750.00 ongoing costs include replacement masks at \$3 each and a fee of \$50 to refill bottles when depleted. Once every 2 years the unit requires a calibration by the manufacturer at a cost of \$245.00.

This unit will greatly enhance our service to the community especially for those patients that have suffered a very painful injury. Combining early nitronox with narcotic medications later will provide for short term acute pain management followed by long term comfort measures. This treatment plan will minimize unnecessary pain and discomfort for our patients and is a justifiable and appropriate use of the ambulance

fund. Please find enclosed in this letter a product description document and a copy of the New Hampshire Patient Care Protocol for pain management.

There is currently \$189,016 in the Ambulance Revolving Fund.

Please let me know if you have any questions.

Porter Nitronox™ Field Unit

Portable, Demand Flow Nitrous Oxide And Oxygen Analgesia System The Trusted Name In Nitrous Oxide

Patient Self-Administered Fixed 50/50 N₂O and O₂ Fast Acting Short Duration Of Effect

The Porter NitronoxTM Field Unit can provide on-the-spot inhalation analgesia, bringing relief to suffering patients at the scene of an injury.

Nitronox is a patient self-administered, demand-flow system that delivers a safe and effective mixture of 50% nitrous oxide and 50% oxygen through a hand-held demand valve. The Nitronox system easily connects to small, custom nitrous oxide cylinders and your standard oxygen supply.

Pain relief starts within minutes after inhalation. Once inhalations are discontinued, the effect of the nitrous oxide is quickly reversed by breathing room air.

That means you can take care of your patients, while they manage their own pain safely and effectively.

Nitronox - For effective and fast, yet safe pain relief.

Get more information at: www.porterinstrument.com/nitronox

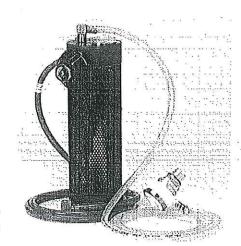

The Porter Nitronox[™] Field Unit provides fast, effective and convenient pain management in emergency settings.

Control your patient's pain and anxiety at the scene of an injury, with the fast, effective Porter Nitronox[™] Field Unit, a compact nitrous oxide system that fits easily into an ambulance.

The features of the Nitronox unit protect your patients while relieving pain.

Patient self-administered
 A hand-held supply valve
 is activated only by the
 patient's inhalation.

- Preset 50/50 mixture of N₂0/O₂ eliminates the risk of delivering a hypoxic dose.
- 100% O₂ capability In the event of N₂O depletion, the patient gets 100% oxygen.
- O₂ enrichment in the event of shallow breathing, the unit will automatically increase O₂ percentage.
- Quick disconnect Allows for easy removal and storage of the patient demand valve.

NOX-5000E Nitronox Field Unit Package

Includes Nitronox Mixer, Nitrous Oxide Demand Valve (with delivery hose and quick connect), Oxygen Hose (with DISS connection), 2 Nitrous Oxide Cylinders (empty), and Soft Carry Case.

Service and Calibration Testing available. Call for information on Trade-In Options.

* SAFE * PATIENT SELF-ADMINISTERED * FAST-ACTING * SHORT DURATION OF EFFECT

2.14A Pain Management - Adult

MT STANDING ORDERS

- Routine Patient Care.
- Have the patient rate his/her pain from 0 to 10, or use another appropriate pain scale.

ADVANCED EMT STANDING ORDERS

- Nitronox: The patient must be able to self-administer this medication.
- Nitronox is contraindicated in abdominal pain, pneumothorax, headinjured, or diving-emergency patients.
 - Note: Nitronox may only be used if the patient has not received an opiate.

ARAMEDIC STANDING ORDERS

- Ketorolac 15 30mg IV or 30 60mg IM (no repeat).
 - o Consider as first line in renal colic.
- One of the following opiates:

- Morphine 1 5mg IV/IM every 10 minutes to a total of 15mg titrated to pain relief and if systolic BP is >100 mmHg
 Antidote: For hypoventilation from opiate administration by EMS personnel, administer naloxone 0.4mg SQ/IV/IM/IN/ETT as needed.
- For nausea: see Nausea/Vomiting Protocol.
- Contact Medical Control for guidance in patients with:
 - o Altered mental status or
 - Additional doses of a medication, or
 - Benzodiazepines administration in conjunction with narcotic administration for patients with musculoskeletal spasms.

- Avoid Ketorolac in patients with NSAID allergy, aspirin-sensitive asthma, renal insufficiency, pregnancy, or known peptic ulcer disease.
- Medications should be administered cautiously in frail or debilitated patients; lower doses should be considered.
- A scavenger and ventilation fan should be used while administering Nitronox.

PEARLS:

- Place the patient in a position of comfort, if possible.
- Give reassurance, psychological support, and distraction.
- Avoid coaching the patient; simply ask them to rate his/her pain on a scale from 0 10, where 0 is no pain at all and 10 is the worst pain they have ever experienced.
- Reassess the patient's pain level and vital signs every 5 minutes.
- Narcotics are not recommended for first line treatment of headache and should be reserved for severe headaches only.

By the Newmarket Town Council

Resolution #2014-2015-60

Authorizing the Town Administrator to Enter into and Agreement with Wright-Pierce Engineers for Construction Services and Oversight for the Wastewater Treatment Plant Upgrade Project

WHEREAS, the Town of Newmarket is required by the EPA Administrative Order of Consent to construct a wastewater treatment facility to remove total nitrogen to meet an 8 mg/L limit, and

WHEREAS, the reduction of total nitrogen will improve the water quality in the Lamprey River and Great Bay, and

WHEREAS, The New Hampshire Department of Environmental Services requires that the Town retain during construction the services of a qualified engineering firm that was selected through a qualifications-based selections process,

WHEREAS, Wright-Pierce was selected through a qualifications-based selection process as required by the New Hampshire Department of Environmental Services, and

WHEREAS, Wright-Pierce has completed Design for the Wastewater Treatment Plant Upgrade Project.

NOW, THEREFORE, LET IT BE RESOLVED, the Newmarket Town Council and Town Treasurer with the approval of the Town Administrator are hereby authorized to engage Wright Pierce for \$1,173,100.00 for construction services and oversight for the Wastewater Treatment Plant Upgrade Project.

ENGINEERING CONSTRUCTION PHASE CONTRACT FOR PROFESSIONAL SERVICES FOR TREATMENT WORKS

CITY/TOWN OF NEWMARKET, NEW HAMPSHIRE

This AGREEMENT made and entered into at Rockingham County, New Hampshire, this
day of2015, by and between City/Town of Newmarket
hereinafter called the OWNER, and Wright-Pierce hereinafter called the ENGINEER.
WITNESSETH:
WHEREAS, the OWNER intends to construct Treatment Works
WASTEWATER TREATMENT FACILITY UPGRADE
hereinafter called the PROJECT, and
WHEREAS, professional sanitary engineering services will be required for construction administration, resident engineering and related services, and
WHEREAS, such services are of a distinct professional nature and hence not subject to the biddir process,
NOW THEREFORE, in consideration of these premises and of the mutual covenants herein set fort the OWNER hereby employs the ENGINEER to furnish the following engineering services in connection wi the proposed PROJECT; and it is agreed by and between the OWNER and the ENGINEER as follows:

I. Services to be Performed by the ENGINEER

A. Upon execution of this AGREEMENT, the EN-GINEER shall proceed with the general administration of construction and full-time inspection by qualified personnel of the contractor's work to assure compliance with the contract documents and any coincident or subsequent changes or change orders for the construction of the treatment works for the

Town of Newmarket

Said services shall include, but shall not necessarily be limited to:

- 1. General Construction Administration
 - a. Updating and modifications of contract documents to meet changed site and project conditions or variations in State or Federal requirements.
 - b. Assistance in securing construction bids, conduct bid opening, tabulation and analysis of bids, and recommendation regarding award of contract. A copy of the bid analysis will be furnished to the Department of Environmental Services, Water Division, hereinafter called the DIVISION, and EPA. (Where applicable)
 - c. Completion of formal contract documents for the award of contracts.
 - d. Checking detail construction, shop and erection drawings submitted by the contractor.
 - e. Reviewing laboratory, shop, and mill test reports of materials and equipment.
 - f. Preparation of drawings and technical material as required to supplement and/or clarify the contract documents.
 - g. Review, verification, and approval of estimates for periodic and final payments to the contractors for submittal to the OWNER and the DIVISION.
 - h. Periodic inspection of work and final inspection.
 - Observing and reporting performance and qualifying tests required by specifications.

- Keeping daily records of construction progress and compiling same into progress reports for submission to the OWNER and DIVISION.
- k. Verifying and keeping records of construction items of work accomplished for use as a basis of checking contractors' monthly estimates.
- I. Consultation and advise during construction.
- m. Determination of need for and preparation of change orders for approval by the OWNER and DIVISION based on conditions found during construction and/or additions or modifications to the work requested by the OWNER and approved by the ENGINEER and the DIVISION and implemented at a price recommended by the ENGINEER as equitable. For change order items exceeding \$10,000, the ENGINEER shall prepare an independent cost estimate.
- n. Determination of "equality" for substitution of materials and equipment specified and securing DIVISION approval thereof.
- o. Provide and maintain construction control lines and grades. For sewers offset lines and grade elevations, with cut depths at manholes; at treatment plant and pumping station sites base lines for layout and benchmarks.
- p. Preparation of application, supporting and associated documents for Federal, State, and other grant or loan programs, including monthly reimbursement requests.
- q. Preparation of certificate of substantial completion and contract completion.
- Assist the OWNER in obtaining the required project related approvals of State and Federal agencies.
- 2. Resident Inspection and Other Special Services
 - a. The ENGINEER agrees to provide one qualified Resident Project

Representative (RPR) on the project site (full time) to assist the ENGINEER in the work of General Administration as described under I(A) and in observing construction activity for compliance with the contract documents and any associated change orders. The DIVISION shall be notified in writing of the name of the resident engineer, assistant engineers, and construction inspectors, and shall be provided with a brief history of the resident engineer's construction experience. The resident engineer and his inspectors shall be in the employ of and under direct control of the ENGINEER. It is further agreed that failure of the resident engineer to administer the PROJECT to the satisfaction of the DIVISION or OWNER is deemed to be sufficient basis for his removal from the PROJECT and replacement.

- b. The ENGINEER agrees to provide supervision of initial start-up and operation and for services during the twelvementh warranty period and to prepare the Project Performance Certification and associated documentation.
- c. Preparation of an Operation and Maintenance Manual for approval by the DIVISION. After DIVISION approval, the ENGINEER agrees to supply five (5) sets of the completed manual, one (1) of which will be for the DIVISION.
- d. Preparation of record drawings of the work as constructed. Three (3) sets of prints to be furnished, one (1) of which shall be for the DIVISION.

II. The OWNER'S Responsibilities

- A. Assist the ENGINEER by placing at his disposal all available information pertinent to the PROJECT, including previous reports and other data relative to the reports.
- B. Make provisions for the ENGINEER to enter upon public and private lands, municipal facilities and industrial establishments as required to perform work under this AGREEMENT.
- C. The OWNER also agrees to comply with DI-VISION and Federal (Where applicable) requirements as they relate to this project.

III. Compensation to be Paid the ENGINEER

- A. Method of Payment Amount of Fee
 - Payment to the ENGINEER, for services rendered, shall be according to the following schedule:

Statements will be rendered (with modifications if necessary) monthly with billing by the hour and rate by labor category with mark-up and incidental expenses in accordance with the attached fee schedule.

 The OWNER agrees to pay and the ENGI-NEER agrees to accept for all services under this AGREEMENT, a fee not to exceed

One	Million One Hur	dred and Se	venty Three
Tho	usand One Hundre	d	
			Dollars
CS.	1 173 100 00	Y	

- B. Limits of All Payment
 - 1. The ENGINEER further agrees that the following fee for his services under I(A)(1), for Construction Administration on this PROJECT, (exclusive of work performed by resident engineering staff) is adequate to complete the work and shall not exceed

 Five Hundred and Ninety Four Thousand, Five Hundred and Thirty Seven

 Dollars

(\$ 594,537.00).

Payment to the ENGINEER for resident engineering and other special services shall be as follows:

a.	Resident e	ngineeri	ing and supporting				
staf	f (as agreed	to by t	the OWNER and				
DI	VISION) as d	escribed	d under $I(A)(2)(a)$				
for	a period of _	536	working days, an				
amo	ount not to ex	ceed					
Thr	ee Hundred F	lighty S	ix Thousand, One				
Hu	ndred		Dollars				
(\$_	386,100.0	0_).					

Overtime shall be converted to equivalent fractions of 8-hour days. If the number of working days for inspection personnel stated above is not sufficient to provide adequate inspection of the PROJECT, it is agreed that the additional cost of resident services may be negotiated with the OWNER and the DIVISION.

For supervision of initial start-up and operation of the project and Project Performance Certification as described under I (A)(2)(b), during a period of Twelve (12) months, an amount not to exceed

Ninety Eight Thousand, Seven Hundred and Eighteen Dollars

98,718.00).

For preparation of the Manual as described under I (A)(2)(c) and instructions on its use, an amount not to exceed Thirty Seven Thousand, Two Hundred and

Dollars Nineteen

37,219.00).

For special services, an amount equal to the actual cost of such work. The actual cost shall include compensation to the ENGINEER for his work on these services. The ENGINEER also assures the OWNER that the moneys to be paid under this item are adequate for the work proposed and shall not exceed

Not applicable (HTE) Dollars

For preparation of the Record Drawings as described under I (A)(2)(d), an amount not to exceed Thirty Seven Thousand, Nine Hundred Dollars and Seventy One 37,971.00).

IV. **Additional Covenants**

The ENGINEER agrees to provide in active charge of this PROJECT for the life of the contract a Project Engineer who is a permanent employee of the ENGINEER and who is a "qualified sanitary engineer" as defined under the DIVISION'S "Rules and Regulations for the Prequalification of Consulting Engineers". The Project Engineer shall be*

Timothy R. Vadney, PE - Wright-Pierce

(name and address)

230 Commerce Way, Suite 302, Portsmouth, NH 03801

Resume clearly describing the candidate's qualifications for the assignment is appended for convenience of reference.

Any proposed change in identity of the Project Engineer on the PROJECT shall first be approved by the DIVISION before transfer of responsibility is made. Failure of the Project Engineer to administer the PROJECT to the satisfaction of the OWNER and/or DIVISION is deemed sufficient basis for his removal and replacement.

- The ENGINEER agrees to be solely responsible for all bills or claims for payment for services rendered by others and for all services and materials employed in his work, and to indemnify and save harmless the OWNER, and all the OWNER'S officers, agents and employees against all suits, claims or liability of every name and nature arising out of or in consequence of the negligent acts or failures to act of the ENGINEER or others employed by him in the performance of the work covered by this AGREEMENT.
- The ENGINEER further agrees to procure and maintain at his expense such workmen's compensation insurance as is required by the statutes and public liability insurance in amounts adequate to provide reasonable protection from claims for bodily injury, death or property damage which may arise from his performance and the performance of his employees under this AGREEMENT.
- The ENGINEER shall secure and maintain for the duration of this AGREEMENT a General Liability Insurance policy in the amount of not less than One Million Dollars (\$1,000,000) per occurrence and Professional Liability Insurance policy in the amount of not less than Two Million Dollars (\$2,000,000) at no cost to the OWNER. An insurance certificate shall be supplied to the OWNER by the ENGINEER. The OWNER shall be named as an additional insured on the General Liability Insurance policy. A condition of the insurance coverage shall be thirty (30) days notice to

the OWNER upon cancellation of the policy. The ENGINEER shall also provide the OWNER certificates of renewal for any applicable insurance policy no later than ten (10) business days prior to the expiration of said policy.

- The OWNER shall secure and maintain for the duration of this AGREEMENT Automobile Liability Insurance covering the operation of all motor vehicles, including those hired and borrowed, used by the OWNER in connection with this AGREEMENT at no cost to the OWNER. The coverage of said insurance policy shall be in the amount of not less than Five Hundred Thousand Dollars (\$500,000) for all damages arising out of bodily injuries to or death of one person and subject to that limit for each person, a total limit of at least One Million Dollars (\$1,000,000) for all damages arising out of bodily injuries to or death of two or more persons in any one accident or occurrence. An insurance certificate shall be supplied to the OWNER by the ENGINEER. The ENGINEER shall also provide the OWNER certificates of renewal for any applicable insurance policy no later than ten (10) business days prior to the expiration of said policy.
- F. By signing this AGREEMENT, the ENGINEER agrees, certifies, and warrants that the ENGINEER is in compliance with, or exempt from, the requirements of New Hampshire RSA Chapter 281-A, regarding workers' compensation insurance. The ENGINEER shall maintain statutory workers' compensation insurance coverage for all of its employees as required by said laws.
- G. All documents, including original drawings, design calculations, work sheets, field notes, estimates, and other data shall remain the property of the OWN-ER; they shall be transmitted to the OWNER in clean and orderly condition on demand by the OWNER; however, these may be left in the possession of the ENGI-NEER at the OWNER'S discretion.
- H. The ENGINEER shall not sublet, assign or transfer any part of the ENGINEER's services or obligations (except special services) under this AGREEMENT without the prior approval and written consent of the OWNER, and the contract shall be binding upon and inure to the benefit of the parties, their successors and assigns.
- I. It is further agreed that before any construction is undertaken the ENGINEER will assist the OWNER or his authorized agent in providing the DIVISION with clear documentation certifying that the purchases of

land have been secured to provide for location of the treatment works and other associated structures and equipment as shown on the construction plans or described in the specifications. Similar documentation shall be submitted on approvals from the State Highway Department regarding location of the treatment works and other project related facilities within rights-of-way and other lands under its jurisdiction.

J. The ENGINEER also agrees to provide in active residence and full time control at the site of the proposed construction a DIVISION approved registered civil engineer qualified project representative and DIVISION approved inspectors (full time, part time) as needed with the experience and other approved background to assist the ENGINEER in the work of General Administration and to assure contractors conformance with the plans and specifications and any approved coincident or subsequent changes or change orders related to the PROJECT. The resident registered engineer representative for the life of this contract shall be

To be provided for review and acceptance prior to onsite construction

(Name and Address)

(Append resume describing Candidate's qualifications)

Any Proposed change in the identity of the resident engineer representative on this PROJECT must first be approved by the DIVISION before transfer of responsibility is made. Additionally, if it is found by the DIVISION that a resident engineer representative (or inspector) cannot or will not administer the PROJECT in a manner satisfactory to the DIVISION, the ENGINEER agrees to replace him promptly upon receipt of a written request from the DIVISION with a qualified resident engineer representative who will acceptably administer the PROJECT. It is further agreed that failure of the ENGINEER to abide by the above covenant is sufficient cause for removal from the DIVISIONS Roster of Prequalified Engineers

K. This AGREEMENT shall be deemed to have been entered into in the State of New Hampshire and shall be construed in accordance with the laws of the State of New Hampshire.

V. Termination

A. The OWNER shall have the right at any time for any reason whatsoever to interrupt or terminate the

work required of the ENGINEER under this AGREE-MENT, with a seven (7) day written notice of such interruption or satisfaction of the DIVISION and the OWNER, and pursuant to this AGREEMENT. In order that the ENGINEER shall receive payment under termination notice, all plans, drawings, tracings, field notes, estimates, specifications, proposals, sketches, diagrams, and calculations, together with all other materials and data prepared in connection with the PROJECT shall be transmitted to the OWNER in a form acceptable to the OWNER and DIVISION.

IN WITNESS WHEREOF, the parties hereto have affixed their hand and seals at Rockingham
their hand and seals at Rockingham County, New Hampshire, the day, month, and year first above written.

CERTIFICATE OF VOTE

I, Walter J. Flanagan III, hereby certify that I am the duly elected clerk of Wright-Pierce.

I certify that the following is a true copy of a vote taken at a meeting of the board of directors of the corporation, duly called and held on April 1, 2015, at which a quorum of the board was present and voting.

VOTED:

That any one or all of the following officers of Wright-Pierce, on behalf of the corporation, are authorized to execute all Wright-Pierce contracts, both service agreements and general contractual obligations:

> John W. Braccio, President William E. Brown, Chairman Peter C. Atherton, Vice President Paul F. Birkel Vice President Richard N. Davee, Vice President Jonathan C. Edgerton, Vice President Walter J. Flanagan III, Vice President Michael D. Giggey, Vice President Jeffrey P. Musich, Vice President John R. Nelson, Vice President Christopher N. Pierce, Vice President

I hereby certify that said vote has not been amended or repealed and remains in full force and effect.

seni

Walter J. Flanagan III, Glerk

RURAL DEVELOPMENT SUPPLEMENT

- 1. The ENGINEER will attend conferences with the OWNER, representatives of RD or other interested parties as may be reasonably necessary.
- 2. The ENGINEER will cooperate and work closely with RD representatives.
- 3. Payments are due within 30 days of invoice. If OWNER fails to make any payment due ENGINEER within 60 days or services and expenses and funds are available for the project then the ENGINEER shall be entitled to interest at the rate of 12 percent per annum from said 60th day, not to exceed an annual rate of 12 percent.
- 5. This Agreement shall not become effective until approved by Rural Development. Such approval shall be evidenced by the signature of a duly authorized representative of Rural Development in the space provided at the end of this Agreement. The approval so evidenced by Rural Development shall in no way commit Rural Development to render financial assistance to the OWNER and is without liability for any payment hereunder, but in the event such assistance is provided, approval shall signify that the provisions of this Agreement are consistent with the requirements of Rural Development.

TOWN OF NEWMARKET, NEW HAMPSHIRE By the Newmarket Town Council Resolution #2014/2015-61 To Authorize the Town Administrator to Enter into an Agreement with Apex Construction to Construct the Town of Newmarket Wastewater Treatment Facility **Upgrade Project** WHEREAS, by May 31, 2015, the Town is required by the Administrative Order of Consent to initiate construction of the wastewater treatment facilities recommended in the September 1, 2011 201 Facilities Plan Update, and WHEREAS, the Newmarket Department of Environmental Services has completed the required Rural Development and New Hampshire Department of Environmental Services competitive bidding process, and WHEREAS, Apex Construction is the low bidder, and WHEREAS, Wright Pierce recommends awarding the contract to Apex Construction based on a review of their Bid, Statement of Qualifications, references, and letters from their bond bank agency. NOW THEREFORE BE IT RESOLVED, the Newmarket Town Council does hereby authorize the Town Administrator to enter into a contract with Apex Construction for \$11,205,600.00 for the Wastewater Treatment Plant Upgrade Project. Further, the Newmarket Town Council does hereby authorize the Town Administrator to enter into future contract amendments with notice to the Town Council. Re: Portsmouth WWTP

On April 27, 2015, the City of Portsmouth City Council had a Workshop to discuss consolidating the Pierce Island and Pease Wastewater Treatment Facility (WWTF) at the Pease Trade Port. At the workshop, City staff estimated that it would cost the City of Portsmouth between \$41.3 and \$47.8 million more in initial capital cost to consolidate their two wastewater treatment facilities at the Pease Trade Port (without any additional capacity for other communities). The additional capital cost would increase their projected average user cost from \$1,150 to \$1,500 per year. They also concluded that there are more risks and unknowns with the consolidated plant. The City Council deferred making a decision until the next meeting.

- Capital cost estimate to upgrade the Pierce Island and Pease WWTF is \$90.1 million.
- Capital cost estimate to consolidate the two facilities is \$131.4 million. The cost estimate would be approximately \$6.5 million more or \$137.9 million if the Deer Street outfall was not approved by NHDES and had to be extended to Pierce Island.

On May 18, 2015, At the City of Portsmouth City Council Meeting, City staff recommended the City of Portsmouth move forward with the upgrade of the Pierce Island and Pease WWTF, and not move forward with the consolidation of the two facilities. After discussion, the Portsmouth City Council voted to move forward with the Pierce Island Wastewater Treatment Facility Upgrade.

W-P Project No. 12797B

Sean Greig, Water and Wastewater Superintendent Town of Newmarket 4 Young Lane Newmarket, NH 03857

RE:

Newmarket Wastewater Treatment Facility Upgrade Construction Contract Award Recommendation

Dear Sean:

We have completed our review of the bids that were received on April 16, 2015 for the Wastewater Treatment Facility Upgrades. This letter represents a summary of our findings.

Four bids were received and reviewed. A tabulation of the bids is attached. Apex Construction, Inc. of Rochester, NH submitted the low bid. The second lowest bidder, Penta Corporation, was approximately 4.5% higher than the low bid and the third lowest bidder, Kinsmen Corporation, was approximately 10.6% higher than the low bid. These bids indicate competitive pricing and reasonable bid for the type of work involved.

In reviewing Apex's bid package, no deficiencies were noted and no mathematical errors were found. Wright-Pierce has worked with Apex on numerous past projects with satisfactory results. Apex's list of past and present projects includes several other projects that are similar in nature to the City's upgrade project, including a comprehensive upgrade being completed for the City of Berlin. We have contacted Apex's banking institution, Bank of New Hampshire, and bonding agency, Berkley Surety Group, and they report that Apex is in good standing and maintain sufficient credit, reserve funds, and bonding capacity to complete a project of this size.

Based on our review of the Bidding Documents, past experience with Apex, and contact with Apex's bank and bonding institutions, we recommend that the Town award the construction contract to Apex as the lowest responsible and responsive bidder. However, we cannot make any guarantee that Apex will perform the work within the bid price or in accordance with the Contract Documents.

Please note that the Contract cannot be awarded until NHDES and RD have reviewed the bid results and all required information. Once they determine that everything is satisfactory, they will all issue a letter authorizing award of the Contract. Once you receive approval to award the Contract, we will prepare the Notice of Award for signature. Upon receipt of the signed notices, we will mail them to Apex and schedule a Preconstruction meeting.

Mr. Sean Greig May 7, 2015 Page 2

In order to receive authorization to award the project, the following documentation must be provided to us to include in the Request to Award packages to be submitted to RD and NHDES:

- 1. A letter from the Town stating intent to award the project to Apex (a sample is attached).
- 2. A signed certification that the required permits, land acquisition, and easements have been obtained. We have attached the certification form which requires execution by the Town.
- 3. A signed certification that the City has retained a DES pre-qualified engineering firm to provide construction phase services on the project, and has utilized DES' standard engineering contract document. We have attached the certification form which requires execution by the Town.

Once we receive these items from you, we will make a formal request to RD and NHDES to obtain authorization to award this project.

Sincerely,

WRIGHT-PIERCE

Timothy R. Vadney, P.E.

TOWN OF NEWMARKET, NEW HAMPSHIRE By the Newmarket Town Council Resolution #2014/2015-62

Transferring Funds From the Downtown TIF Capital Reserve Fund

WHEREAS, the May 10, 2011 Town Meeting established the Downtown TIF Capital Reserve fund for the purpose of paying the Downtown TIF debt service, and

WHEREAS, the Town Council has been appointed as agent to expend from the Capital Reserve Fund for this purpose, and

WHEREAS, the Town must pay debt service interest of \$11,636.43 on July 15, 2015 and principal and interest totaling \$88,968.75 on January 15, 2016.

NOW, THEREFORE BE IT RESOLVED that the Newmarket Town Council does hereby approve a transfer of \$100,605.18 from the Downtown TIF Capital Reserve Fund to the General Fund for the purpose of paying the fiscal year 2016 Downtown TIF debt service.

TOWN OF NEWMARKET, NEW HAMPSHIRE By the Newmarket Town Council Resolution #2014/2015-63 Relating to Fiscal Year 2015 Year-End Budget Transfers

WHEREAS, the Town of Newmarket diligently forecasts its appropriation; however, unforeseen expenditures require moving line-item budgets from one to another.

WHEREAS, movement of line-items are pursuant to the attached schedule and with some having a brief explanation of the over expenditure, and

WHEREAS, pursuant to RSA 32:10, the Town Council has authority to "transfer to [the aforementioned] appropriation[s] [from] an unexpended balance remaining in some other appropriation," and

NOW THEREFORE BE IT RESOLVED, that the Newmarket Town Council does hereby approve the appropriation transfer pursuant to the attached schedule.

First Reading:

May 20, 2015

Second Reading:

June 3, 2015

Approval:

Approved:

June 3, 2015

A True Co	py Attest:	
		Terri Littlefield, Town Clerk

TOWN of NEWMARKET, NEW HAMPSHIRE

2015-2016 TOWN COUNCIL RULES FOR PROCEEDINGS

1. Council Meetings

All meetings of the Town Council shall be public as required by RSA 91-A.

Business meetings shall be held on the first and third Wednesday of each month at 7:00 p.m., unless otherwise provided by ordinance or resolution. When Wednesday is a holiday, the regular meeting shall be held on a Wednesday following at the same hour unless otherwise provided by motion. The public portions of Council meetings shall end by 10:00 p.m., unless the Chairman or a majority of the Council present determines that continuing the meeting shall allow the necessary business of the meeting to be completed. In order to proceed beyond 10:00 p.m., a motion to do so shall be made and a vote shall be taken. The motion shall pass to the extent two-thirds (2/3) of the votes cast. Not withstanding the foregoing, non-public sessions of the Council may continue after 10:00 p.m.

Business Meetings are for the purpose of deliberating and voting upon Town business. Agendas will generally follow the order of business established in Section 5 below and shall include on the agenda an opportunity for citizen comment related to the matter(s) included on the agenda and/or pertaining to the business of the City Council.

Special Meetings are for the purpose of deliberating and voting upon Town business at times other than during a regularly scheduled Business Meeting. Such meetings are "special" because the Chair, or upon request of the Town Administrator, or five (5) Council Members by written request submitted to the Chair, can call them on a minimum of 24 hours' notice. Agendas will generally follow the order of business established in Section 5 limited to one or more items requiring Council action and shall include on the agenda an opportunity for citizen comment specifically related to the matter(s) included on the agenda.

Special Meetings may be scheduled for any day provided sufficient notice is afforded in accordance with provisions of State law.

Workshop Meetings are for the purpose of the Council receiving information about Town business in an informal setting during which no formal action can be taken. The workshop agenda format is intended to encourage in-depth presentations by Town Boards, Commissions, Committees and/or staff (including consultants engaged for purposes of advising the Council), and detailed questioning and brainstorming by Council Members. The Council may discuss the material freely without following formal rules of parliamentary procedure, subject to the direction of the presiding officer. Although formal action may not be taken during Workshop Meetings, the presiding officer may poll Council Members during the meeting to determine the general consensus of the Council in order to bring matters back for consideration at future meetings. Agendas will generally follow the order of business established in Section 6 below limited to one or more items for Council review and discussion and shall include on the agenda, prior to the end of the meeting, an opportunity for citizen comment related to the matter(s) included on the agenda.

Non-Public Meetings are held to discuss only certain items specified in State law during which the public cannot attend. Non-Public Meetings shall be properly noticed and State law pertaining to the appropriateness and necessity of holding such meetings shall be strictly adhered to in all cases.

Non-Public meetings are typically scheduled as necessary, before or after other Council meetings.

Consultation with Legal Counsel/Collective Bargaining Strategy or Negotiation meetings are held solely for purposes of receiving legal counsel and/or for collective bargaining matters relating to strategy or negotiations during which the public cannot attend. These sessions are typically scheduled as necessary, before or after other Council meetings.

The place of the meetings shall be the Council Chambers at the Town Hall.

A quorum of the Council for the transaction of any business shall be four (4) of the members currently in office. A majority of those members present may adjourn the meeting to another time or date.

2. Presiding Officer

The Chairman shall be the presiding officer at all Council meetings. He/She shall take the chair precisely at the hour appointed for the meeting and call the members to order. In the absence or disability of the Chairman, the Vice-chairman shall preside and act as Chairman during such absence or disability.

3. Chairman Pro Tem

In case of the absence of both the Chairman and the Vice Chairman, the Recording Secretary shall call the Council to order and call the roll of the members. If a quorum is found to be

present, the Council shall choose one of its members to act as Chairman *pro tem* by a plurality of votes until the Chairman or Vice-Chairman appears.

4. Recording Secretary

The Recording Secretary shall be ex-officio Recording Secretary of the Council and shall keep minutes of the meetings and perform such other and further duties, as may be ordered by the presiding officer or Council. The Recording Secretary shall record the names of the members present and coming in after the call to order. It shall be sufficient for the Recording Secretary to record special and non-public meetings by written form. Not more than 5 business days, excluding weekends and national and state holidays, the Recording Secretary shall make available a copy of the minutes of the previous meetings to include regular, special and non-sealed non-public meetings. In the absence of the Recording Secretary, the presiding officer shall appoint an acting recording secretary during such absence that shall tape record the meeting and take minutes.

5. Order of Business

The business of all business meetings and workshops of the Council shall be transacted in the following order unless the Council, by a vote of at least two-thirds (2/3) of the votes cast, shall suspend the rules and change the order.

Business Meetings:

- 1. Pledge of Allegiance
- 2. Public Forum
- 3. Public Hearing
- 4. Town Council to Consider Acceptance of Minutes
- 5. Report of the Town Administrator
 - a. Monthly Department Heads Report
- 6. Committee Reports
- 7. Old Business
 - a. Ordinances and Resolutions in the 2nd Reading
 - b. Ordinances and Resolutions in the 3rd Reading
 - c. Items Laid on the Table
- 8. New Business/Correspondence
 - a. Town Council to Consider Nominations, Appointments and Elections
 - b. Ordinances and Resolutions in the 1st Reading
 - c. Correspondence to the Town Council
 - d. Closing Comments by Town Councilors
- 9. Adjournment

6. Ordinances and Resolutions

a. Ordinances - Any Ordinance to be considered by the Council other than those to be enacted for purposes of addressing emergency circumstances as specified in

the Town Charter shall be initiated and acted upon in accordance with the requirements established herein.

- A proposed Ordinance shall appear on a meeting agenda for a first reading after which it may be referred to a Workshop Meeting, if deemed necessary, and/or a future Public Hearing date shall be set.
- ii. After a Public Hearing relating to a proposed Ordinance has been held and testimony allowed in accordance with these rules, the proposed Ordinance shall be brought before the Council for a second reading during the same meeting, together with any and all recommendations for passage, rejection, referral to a workshop, or to a third reading.
- iii. Any proposed Ordinance submitted for consideration by the Council, may be amended and/or enacted by a majority roll call vote in conjunction with the second and/or subsequent readings.
- iv. If a proposed Ordinance is extensively amended following the first reading and the Council wishes further review, or additional time is needed for the public to express its opinion on the issue, it may be held for a third reading, on a simple majority vote of Council Members present.
- v. Unless otherwise provided, each Ordinance approved by the Council shall become effective upon its passage, after it has been duly advertised within 7 business days of the Council meeting at which time the ordinance was adopted.
- vi. The Town Clerk shall certify that the amendments are incorporated into the original ordinance with the proper reference to the amended ordinance number and date.
- b. Resolutions Any Resolution to be considered by the Council shall typically be initiated and acted upon in accordance with these rules above. Resolutions subject to public hearings will also be subject to the following:
 - i. A proposed Resolution shall appear on a meeting agenda for a first reading after which it may be referred to a Workshop Meeting, if deemed necessary, and/or a future Public Hearing date shall be set, if necessary. If no workshop or Public Hearing is necessary, than the Resolution will be referred to the next regular business meeting.
 - ii. After the proposed Resolution has been presented at the required public hearing, if necessary, it shall then be brought before the Council for a second reading the same meeting, together with any and all recommendations, for passage, rejection, referral to a workshop or other meeting.
 - iii. If a proposed Resolution requiring a public hearing is extensively amended following the public hearing and the Council wishes further review, or additional time is needed for the public to express its opinion on the issue, it may be held and referred for action at a future meeting, on a simple majority vote of Council Members present.

7. Meeting Protocol

No person will be allowed to speak unless and until recognized by the Chair.

No Councilor will be allowed to address an agenda item twice before each Councilor wishing to be recognized has been recognized once.

No person will be allowed to respond out of order to any statement by any other person.

All comments will be addressed to the Chair.

The Chair reserves the right to rule persons, including Councilors, out of order for violating this Resolution, as well as any other applicable statute, ordinance, resolution, or Charter provision.

Any person ruled out of order three times at one meeting will be asked to leave the meeting.

Motions will be entertained at workshops only under extraordinary circumstances. Motions will only be entertained under new business only under extraordinary circumstances. Any matter discussed under new business that the Council wishes to consider further will be referred to the next available workshop.

8. Filing with the Town Clerk

Per Section 3.8.A of the Town Charter any ordinance or resolution may be introduced by any member at any regular or special meeting of the Council. Upon introduction of any ordinance, the Town Clerk shall distribute a copy to each Councilor and to the Town Administrator shall file a reasonable number of copies in the office of the Town Clerk, and post a copy in such other public places as the Council may designate.

In addition, copies of ordinances, resolutions and documents to come before the Council for consideration will be given to the Town Administrator's office by noon three (3) working days preceding the day on which the Council meets. All Town Council packets shall be made available for pick up on the Friday before the scheduled business meeting and workshop at the Town Hall.

9. Motion to be Stated by the Recording Secretary

Any Council member may ask the Recording Secretary to state the motion before the vote. The mover without the consent of the member seconding it may not withdraw a motion.

10. Voting

Each member present when a question is put shall vote either aye or nay by voice vote. If a member abstains, he/she shall give the reason for abstaining. All voting shall be by roll call vote except votes on procedural matters.

11. Conflict of Interest

Any member who has a financial interest, direct or indirectly, in any planning or existing contract, job, work or service to be performed by the Town or voluntary sale to the Town of any land, materials, supplies, equipment or other property shall make full disclosure of such interest to the Council prior to deliberating any such matter or transaction.

The member, or if a member's family member, as defined by Section 7.3 (B) of the Town Charter is financially interested in such matters or transactions shall not vote nor advise on nor otherwise participate in the Council's consideration of such matter or transaction.

12. Anonymous Communications

Unsigned communications shall not be introduced in Council meetings nor shall the Council entertain any review, discussion or action upon unsigned communications.

13. Permission to Address the Council

To encourage and allow ongoing input and feedback from citizens, Regular, Special and Workshop meetings shall include on the agenda an opportunity for citizens to address the Council. In addition to public hearings that may be scheduled for public comment on specific matters, the Public Forum will ensure citizens have the opportunity to speak to all other items on a meeting agenda and/or matters pertaining to the business of the Council.

- i. Speakers shall be residents of the Town of Newmarket, property owners in the Town of Newmarket, and/or designated representatives of recognized civic organizations or businesses located in the Town of Newmarket.
- ii. Speakers shall address their comments to the presiding officer and the Council as a body and not to any individual member.
- iii. Speakers shall first recite their name and address for the record.
- iv. Each speaker shall be provided a single opportunity for comment, limited to five
 (5) minutes with the five (5) minutes beginning after the obligatory statement of named and address by the speaker.
- v. Citizen Forum shall not be a two-way dialogue between speaker(s), Council Member(s), and/or the Town Administrator.

The presiding officer shall preserve strict order and decorum for and by all speakers appearing before the Council.

14. To Suspend the Rules

These rules may be temporarily suspended by a vote of two-third (2/3) of the votes cast.

15. To Amend Rules

These rules may be amended, or new rules adopted, by a majority vote of all members of the Council present. Any proposed amendments to these rules shall be submitted in writing at a business meeting, and shall be placed on the agenda under the order of "New Business". This requirement shall be waived only by unanimous consent with a recorded vote of all members.

16. Roberts Rules of Order

Roberts Rules of Order shall be used to decide all parliamentary questions not specifically provided for in these rules.

17. Committees

Budget Committee: As provided for in RSA 32:15, I(b) *Budget Committee Membership*, "One member of the governing body of the municipality...shall be appointed by their respective board to serve for a term of one year and until their successor are qualified. Each such member may be represented by an alternate member designated by their respective board, who shall, when sitting, have the same authority as the regular member."

Planning Board: As provided for in RSA 637:2, I-b(a) *Planning Board*, The council shall appoint "A member of the town council... of the town selected by the town council."

The Chairman shall have the power to appoint such advisory committees, as he/she deems necessary to serve him/her in an advisory capacity. The first-named person on each advisory committee shall serve as its chairman.

18. Councilor Development

All newly elected Council members shall, within the first year of their election, attend at least one workshop or educational seminar for local officials offered by the New Hampshire Municipal Association, Local Government Center, or comparable local agency.

All other Councilors are also encouraged to attend at least one workshop/seminar during each remaining term year with particular emphasis upon the Right-To-Know Law, municipal budgeting, and/or other matters pertaining to local government.

19. Annual Review and Adoption

Consistent with Section 3.2 of the Town Charter, this Resolution shall be in effect until the next organizational meeting of the Council, at which time, the Council shall renew, amend, and re-adopt or otherwise act on this Resolution.

20. Councilor Stipend

Consistent with Resolution #2009/2010-08, Pertaining to the Disbursement of Town Council Member's Annual Stipend, Councilors stipend shall begin with the start of the Town's fiscal year with payment made in July, September, December and March.
